RELIABILITY IS OUR BUSINESS
MARINE, OFFSHORE SUPPLY & LOGISTICS

www.sinwaglobal.com
Listed on the Singapore Stock Exchange, Sinwa Limited is Asia Pacific’s leading Marine, Offshore Supply and Logistics provider offering a complete array of supply, catering, offshore support and logistics services.

Our scope of products and services covers the following:

- Marine Supplies
  - Technical Stores
  - Provisions
  - Bonded Stores
- Marine Logistics & Agency Services
- Offshore Support Supply Services
- Exclusive Agents and Distributor of Wolf and Raytec Explosion Proof Safety Lighting
- Dry Dock and Newbuilding Support

Sinwa is time-tested; over and over, for the last 50 years. This is demonstrated by the fact that 90% of our revenue is repeat business.

We have earned a solid reputation for RELIABILITY among some of the world’s largest ship owners and ship management companies, many of whom we have served for more than 20 years.

Our proven track record in the marine supplies, logistics and offshore business is backed up by our principles of:

- Fast Response
- Best-in-Class Products
- Personalized & Reliable Service
- Competitive Prices

Sinwa is committed to be your premier total solutions provider. We strive to deliver to you consistent product quality at competitive prices. Our dedicated team is contactable round-the-clock to serve you.
Flagship and headquarter of the Sinwa Group is Sinwa Singapore Pte Ltd.

From an area of 8000 SQM containing various offices and warehouses, more than 140 employees take care of the supplies to over 12,000 vessels per year.

Sinwa’s area of coverage spans all the way from Singapore port, anchorage and OPL into the northern regions of Malaysia.

Bonded trucks carrying a wide array of provisions, deck & engine stores and ships spares in transit depart on a daily basis from our premises in Singapore to destinations like Pasir Gudang, Tanjung Pelapas, Melakka, Port Klang, Kemaman Supply Base, Lumut and Penang.

Sinwa Singapore offers a comprehensive package of supplies and services, allowing clients to reduce costs by efficiently consolidating vessel support services:

- Provisions
- Bond
- Deck & Engine Stores
- Logistics & Warehousing
  (Ship Speres in Transit)
- Ships Agency

Sinwa Australia was founded in 2004 and has since then grown to be the unchallenged #1 supplier to the Marine & Offshore Industry along the west coast of Australia. Three branches located in Perth, Karratha and Darwin service a total coast line of over 4000 miles. Sinwa Australia literally goes a long way for her customers.

Many of the clients serviced are Fortune 100 upstream Oil & Gas Majors, which is testimony to our excellent abilities and standards.
Sinwa set foot in China in 2001 and has since grown her presence in various cities and supply locations along the coastline.

Right now we supply to ports and shipyards in Shanghai, Zhoushan, Qingdao, Dalian, Tianjin, Guangzhou, Hong Kong and their respective surrounding areas.

Complementing our supply services in China, our offices also offer logistics services for ships spares in transit.

In addition to port supply services, our branches in China also facilitate drydock assistance and newbuilding supplies.

In 2015 Sinwa opened two offices in Thailand, further increasing our coverage in Asia Pacific.

Brand new warehouse facilities and a top of the range cold supply chain infrastructure are utilized to guarantee high end quality food and beverage supplies to our clients in the Marine & Offshore Industry.

Presently focussing on F&B supplies in Songkla and Bangkok Sinwa will continue to expand her supply services with deck & engine stores and logistics in 2016.
Seafirst Marine Services in Sinwa’s in-house Logistics & Agency department.

A dedicated team of specialists handles all non-supply related requirements for vessels port calls in Singapore.

Having obtained licences and authorisation from respective government agencies, Seafirst deals directly with port authorities, customs, immigration, airlines and terminals on a 24/7 basis.

Our logistics warehouse is exempt from import tax, hence allowing ships spares in transit to be stored on our premises reducing costs of warehousing whilst improving accessibility, safety and control.

Clients have access to our online stocklist with track & trace ability and functionality to download pictures, shipping documents and delivery notes.

Seafirst consolidates all supply and support services into a true one-stop solution saving our customers time and expenses.

Windsor Marine Pte Ltd, a subsidiary of Sinwa Group, is the exclusive agent and distributor for Raytec’s Ex lighting product range in Singapore, Malaysia, Brunei and Indonesia. In addition we sell in South Korea, Vietnam and Thailand.

Raytec’s range of SPARTAN LED Lighting are specifically designed for new hazardous area installations which require high performance and reliable White-Light illumination, such as oil and gas, petrochemical, pharmaceutical, marine and food processing applications, and many more.

Housed in Marine Grade aluminium and using Raytec’s field-proven, long-life LED technology, SPARTAN Linear is ATEX and IEC Ex approved for all Zone 1 and 2 applications and rated for T4, T5 and T6 environments.

A unique modular design allows key components to be accessed and serviced on site if required, and it can also be upgraded to an emergency fitting on site at any time.

SPARTAN Linear delivers up to 60% better heat dissipation compared to traditional solutions, with a 10 year + operational life and output of up to 5,000 lumens.

Key Features:
• Approvals: All Raytec products are approved to the latest ATEX and IEC Ex requirements
• 5 Year Warranty
• Cool Running: All Raytec luminaires include a Cool Running Thermal Management system to increase power and prolong life.
• Emergency Variants: Emergency variants are available for the options quoted above
• Energy Saving: Raytec luminaires are highly efficient and save costs on maintenance and energy.

Accreditations
Windsor Marine Pte Ltd, a subsidiary of Sinwa Group, is the exclusive agent and stockist for Wolf Safety Lamps in Singapore, and has authorized distributorship for Malaysia, Indonesia, Thailand, Vietnam, Brunei, Philippines, Myanmar and China (Marine Industry only).

Wolf Safety offers the widest range of ATEX and IECEx certified explosion protected lighting and power distribution systems designed in the United Kingdom for safe use in potentially explosive atmospheres worldwide.

Wherever an explosive, gas, vapour, mist or dust is present, creating a potential risk of explosion, Wolf Safety has hazardous area lighting with the concept of protection for Zone 0, 1 and 2 to ensure safety.

Explosion or ignition sensitive situations can be encountered in many industries: oil & gas – offshore/onshore platforms, refineries, terminal tanks, tankers and FPSOs; marine - vessels, shipyards and shipbuilding; refining and petrochemical; manufacturing and processing of foods stuffs, pharmaceuticals and beverages; utilities - power generation, water treatment and gas distribution; emergency services - fire-fighting and hazardous area response teams; aviation and military.

We have ATEX certified lights for all purposes; the correct apparatus for every hazardous area application. Our equipment has proven quality and reliability in their wide use in many industry sectors.

Focused on the following Applications:

- Tank Cleaning and Maintenance
- Refurbishment, Repair & Replacements
- Blasting, Coating and Painting
- Military Aviation Maintenance, Repair and Overhaul (MRO)
- Offshore Platform Leg Inspection

Sinwa supplies a wide range of stores and equipment to the marine and offshore industry. At any one time, we have well over 3,000 line items in stock, ranging from general stores, hardware and electrical stores to general mooring and lashing equipment.

We take pride in what we do and we treat our client’s business like our own.

A rock solid team of account dedicated experienced purchasers is ready to turn our client’s requisitions into tailor made solutions that fit their fleet, crew, operations and budget.

Sinwa stands for and promises top-notch service, reliable performance and a quality product for a competitive price. We have done so for many years earning Sinwa the recognition and endorsement of ship owners and managers worldwide.

- Deck Stores
- Engine Stores
- Electrical Stores
- Galley Equipment
- Cabin Stores
- Safety Equipment
- General Consumables & Tools
- Medical Supplies
Sinwa takes great pride in offering you one of the widest assortments of provision supplies in the industry.

We source our range of fresh, frozen, chilled and dry provisions from all over the world. In addition to staples, we also stock up on ethnic ingredients and foods for your multinational crew.

Sinwa has the capacity, capability and a proven track-record of F&B support to conventional vessels, the offshore industry as well as large volume high-end cruise ships.

We understand the expectations of crew, cruise passengers and vessel managers for provision supplies and catering. Your satisfaction is our driving force and key to our success.

Our customers need high quality yet competitively priced provisions, which must be supplied and checked within the short window for delivery when their vessels call at the ports we serve. Our core business is just that...satisfy our clients even when we have to do the almost impossible.
In all the ports we service (except China), Sinwa is fully licensed to supply a complete range of bonded goods, all from our very own bonded warehouses: duty-free beer, wine, spirits and tobacco products.

Together with these bonded goods, we offer a full range of Slop Chest items including soft drinks, juices, bottled water, ice cream, cakes, chocolates, nuts, chips and various other general and ethnic snacks to cater to the tastes of your multinational crew.

We also supply a comprehensive range of personal items such as perfume, deodorant, body lotion, hair products, toothpaste, and even footwear for your personal orders.
Our clients wish to keep their shipyard stay as short as possible, and require supreme support from their supplier.

We at Sinwa understand these needs like no other and have a technical savvy and dedicated Sales & Servicing team standby to attend to the drydock needs on the spot.

Members of our Sales & Servicing department are selected for their technical insight, long service record and in-depth knowledge of marine operations.

Whether it is reconditioning of spares, fabrication according to sample, renovation of cabins and galley, carpeting and upholstery, crew transportation or global hand-carriage of top urgent spare parts...we do it all!

Our Sales & Servicing people are selected for their technical insight, long service records and in-depth knowledge of marine operations.

On demand our team attends to newbuilding supplies across the region to manage and guide the supply of initial storing, assuring complete receipt of good and the best possible consumer experience.
