EH Engineering is launching a New Take-off
We promise you a new take-off with our ceaseless passion

Thank you very much for your concerns

Since January 2004, EH Engineering has been supplying customers with ship parts and groceries. As a true TOTAL MARINE SERVICE PROVIDER, EH Engineering supplies customers with highest satisfaction in addition to the ship parts and groceries on the basis of our rich experience and know-how on sailing.

Dear Customers,
Our management philosophy is to satisfy customers with sincerity and confidence. We will keep endeavoring to become a global service provider for you.

Thank you

C. H. JANG
Managing director
