	81400654		SAND BLASTING KIT 1/4"BSPP W. POKER Pos.(1,4,5,6,7)

Blasting media:

If available, we recommend "Copper slag" 10/30 Grit (0,5mm to 1,8mm) as blasting media.
If using "Quartz sand", use a blend of 0,8mm – 1,8mm, do NOT use too fine sand, it will not flow and it does not give an efficient use of the equipment.
