TECHNICAL KNOWLEDGE IN THE PORT OF HAMBURG

All Occupational Skin Care Needs **IN ONE RANGE**

The SC Johnson Professional™ skin protection program, developed on the basis of established skin protection series from Deb and STOKO®, offers tailor-made solutions for every job. SC Johnson Professional™ is the most comprehensive range of high quality products covering the whole spectrum of skin care needs, spanning industrial, commercial, food and healthcare environments. The range has been carefully devised to respect both regional requirements and personal preferences.

It offers protection against a wide variety of threats while providing specialised cleansing options for any light through to heavy requirement; hand disinfection with advanced Deb Foam Technology; as well as restoration with world renowned skin care creams.

COMMERCIAL

HEALTHCARE

Our 4-Step Approach to **SUPERIOR SKIN PROTECTION**

Our product range accommodates a broad variety of user preferences and application requirements.

All SC Johnson Professional products are fully tested, supported and colour-coded for easy identification.

SKIN PROTECTION

Pre-work skin protection creams help protect the skin in case of contact with various workplace contaminants, irritants and working conditions.

UNIVERSAL | SPECIALIST | UV

SKIN CLEANSING

Appropriate cleansing of the hands plays a vital part in preventing occupational dermatitis. Using the appropriate cleansers will help with removing dirt and irritants while keeping the skin in a healthy condition.

WASHROOM | LIGHT | SHOWER | MEDIUM HEAVY
HEAVY | SUPER HEAVY | ULTRA

HAND HYGIENE

Antimicrobial hand cleansers and hand disinfectants, that can be used without water to kill germs and provide a higher level of hand hygiene and skin disinfection.

ANTIMICROBIAL | DISINFECTION

SKIN CARE

After-work skin restore creams help to maintain the skin in healthy condition by keeping the skin soft and supple, avoiding dryness. Good skin condition is an important element in ensuring good hand hygiene practice.

NORMAL SKIN | VERY DRY /
STRESSED SKIN

UNIVERSALLY UNDERSTOOD

We have carefully designed our range to help ensure users know which products to use and how to use them by incorporating:

<p>(A)</p> <p>Application colour</p>	<p>(B)</p> <p>Application icon</p>	<p>(C)</p> <p>Usage pictogram</p>
---------------------------------------------	-------------------------------------------	------------------------------------------

PRODUCTS IN CERTIFIED QUALITY

Many of our products have been tested and honored by independent organizations.

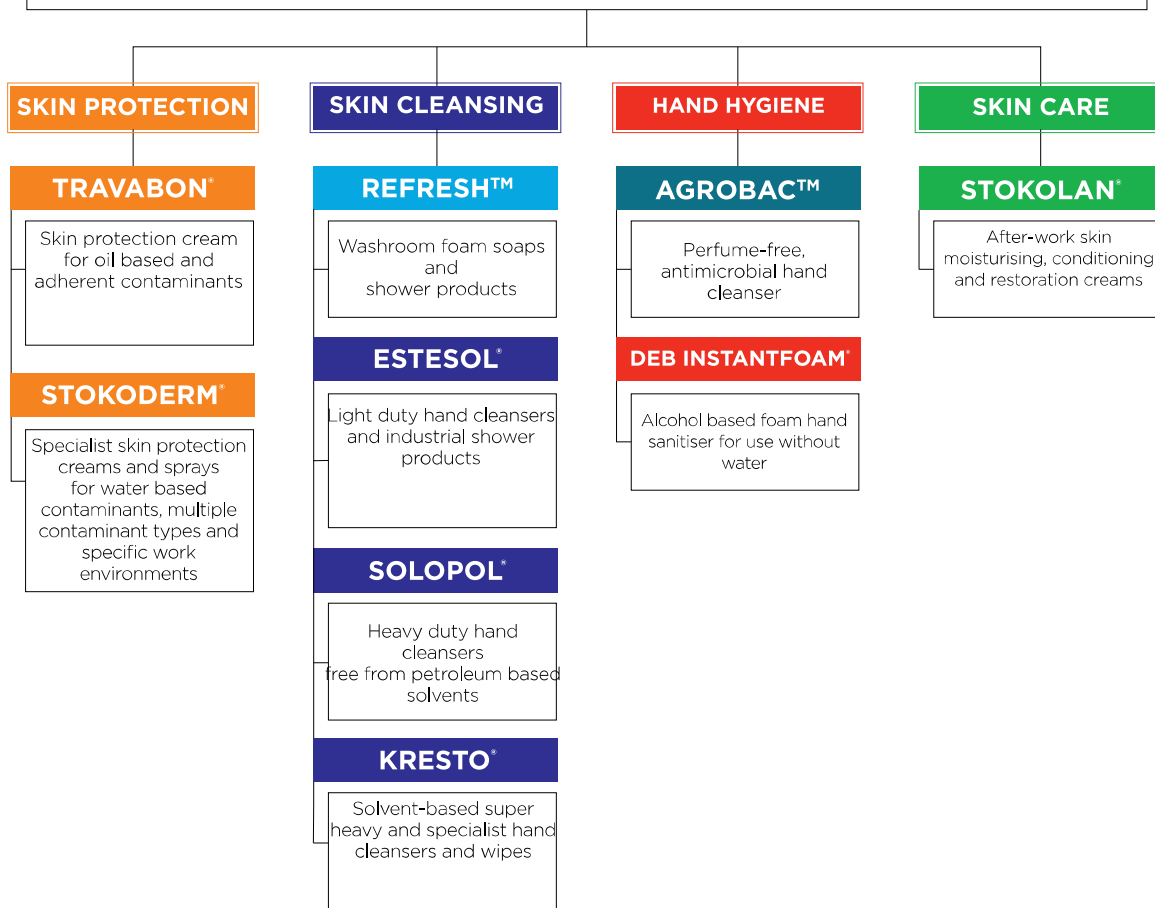

ECARF Seal of Quality
The European Centre for Allergy Research Foundation (ECARF) awards the ECARF-quality seal to allergyfriendly products.

Ecolabel Certified
For products meeting stringent technical criteria using life cycle assessment (LCA) methodology which covers the main environmental impacts generated at all stages of a product life cycle, including manufacturing, use and disposal.

SC JOHNSON PROFESSIONAL™ **PRODUCT BRANDS**

The SC Johnson Professional™ Range has a number of internationally established product brands

Classic Foam Soap

Our classic 'smooth silk' fragrance foam soap has been a popular choice for washrooms for many years. With it's smooth and caring notes, the product leaves hands softly scented.

Fragrance Free Foam Soap

For people who are sensitive to fragrances and dyes and who prefer products which do not have these added. The formula has been Dermatologist tested and ECARF certified to verify and confirm it is "skin hypoallergenic" with very low allergenic potential and is designed for sensitive skin.

ORIGINAL FOAM

Lightly fragranced, dye-free foam hand wash

Code	CASE	QTY	SIZE
ORG250ML	6		250 ml
ORG1L	6		1 liter

CLEAR FOAM PURE

Mild, fragrance-free and dye-free gentle foam hand wash

Code	CASE	QTY	SIZE
CLR250ML	6		250 ml
CLR1L	6		1 liter
CLR12LTF	3		1,2 liter

¹ The product is certified to have reduced environmental impact through its life cycle, from extraction of raw materials through to its production, use and disposal.

² The product meets the European Centre for Allergy Research Foundation (ECARF) criteria for being well tolerated by sensitive skin.

Washroom

Dispenser

Dispenser for light cleansing and shower

The soap dispensers for sanitary rooms meet high hygienic standards, which are indispensable in public places, in gastronomy or also in the medical sector.

The large and smooth-running push button makes controlled dosing possible. The ultrasonically sealed 1 and 2 liter cartridges can be replaced in a matter of seconds.

The transparent cover of the Quick-View (TM) dispensers allows an accurate view of the soap level

Dispensers

A unique range of 1 Litre, 2 Litre, 3.25 Litre and 4 Litre closed, sealed cartridge dispensers for use with all skin care products.

- **Sealed systems:** 'fresh' product is dispensed every time
- **Optimal Dose:** delivers right amount to prevent over-use
- **Lockable:** stops unauthorized access
- **Large Buttons:** easy to use
- **Collapsible Cartridges:** minimise product residue and waste
- **Wipe Clean Surfaces:** quick and easy to maintain
- **Non-Drip, Non-Clog:** leave no mess
- **Convenient:** empty cartridges are easily replaced in seconds

All SC Johnson Professional™ range dispensers are protected by BioCote® a silver-based antimicrobial agent that inhibits the growth of bacteria and moulds.

All dispensers manufactured by Deb are guaranteed for life.

SKIN PROTECTION SCHEME PLAN

SKIN PROTECTION

before & during work

DEB Stokodem Protect PURE:

Proven general purpose protection
- Suitable for a wide range of working environments with light to moderate exposure to varying types of water and non-water based substances.

Quick drying - Leaves a pleasant, non-tacky protective film on the skin to encourage regular use and does not affect dexterity with hand held tools.

SKIN CLEANSING

before, during & after work

DEB Swarfega Orange Wash hand cleaner:

Advanced formulation, solvent-free heavy duty hand cleanser containing non-abrasive scrubbers for a deep-down cleaning action and moisturiser to help care for the skin. Removes ingrained oil, grease and general grime.

deb stoko

SKIN CARE

after work

DEB Stokolan Light PURE (restore):

Non-greasy, light formula-Designed for moderately dry skin to quickly absorb and encourage regular use, maintaining healthy skin condition.

Contains Shea Butter - A naturally occurring emollient to support the product's excellent skin soothing properties.

Contains Allantoin - Supports the moisturisation effect and helps condition the skin.

*Usage of skin protection products does not replace additional mandatory occupational skin protection equipment.

*Use carefully biocidal products. Always read label and product information instructions.

SC Johnson Professional™ **SUPPORT**

For any organisation, the implementation of skin protection that are collectively followed and universally understood is an ongoing challenge.

Therefore, to help with this process, we have created a unique education and audit support programme available to all customers of the SC Johnson Professional™ Range.

Ongoing Site Education & Awareness

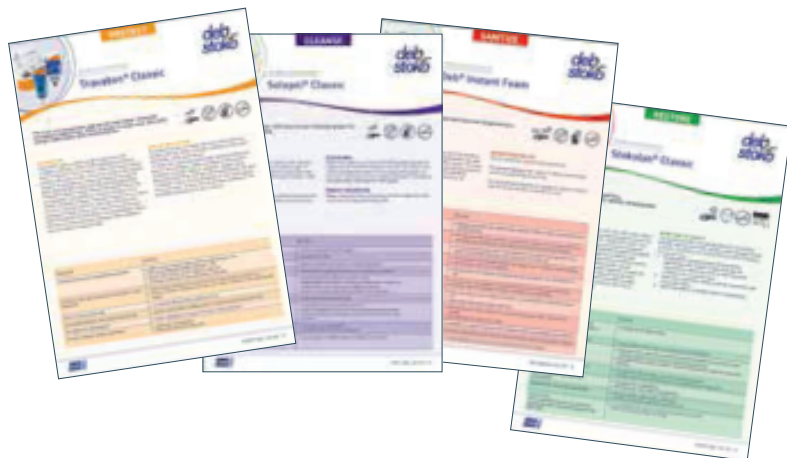

To help improve and maintain skin care standards, we provide a number of communication tools to support ongoing education and awareness.

Pre & Post Installation Audits

Our team of experts conduct pre and post installation audits to ensure the products and dispensing systems are selected and installed, providing complete customer satisfaction.

Annual Audits

Our team of experts are also able to conduct annual audits to provide a maintenance check of the installed dispensers, review the products in use and introduce any new products and education that can provide additional benefits for the customer.

Official trade representative of SC JOHNSON™

We will be happy to provide consulting and will, in close cooperation with you, develop a solution that is ideally tailored to your particular requirements.
