## YOUR SATISFACTION IS OUR COMMITMENT

---

Quality Ship Suppliers S.A. DE C.V. was founded in 2017 in the city of Lázaro Cárdenas Mich. Mexico with strong principles and ethics to provide the highest possible level of customer service, starting operations in services such as; provisioning, supply and crew transportation.

During the year 2020, with specialized and dedicated managers, we were able to increase our presence in the port of Veracruz and Manzanillo with the opening of new offices in the city of Morelia. Currently (2022) we have presence in 17 ports throughout the Mexican Republic with 10 units suitable for the transportation of merchandise with an expansion in warehouses and specialized personnel.

# Mission

To provide reliable and efficient provisioning, supply, barging and garbage collection services to vessels arriving at the Port of Lázaro Cárdenas and different ports in Mexico, satisfying the customer's requirements.

# Vision

To consolidate our position as a national and international leader in our services through an efficient supply chain.
