

MAVRİK OEM-EQUIVALENT PARTS — AVAILABLE EXCLUSIVELY THROUGH ALLPOINTS

What's better than OEM parts? Mavrik OEM-equivalent parts! Mavrik parts meet the same technical and safety requirements as OEM, but cost an average of 29% less and come with an incredible 180-day warranty.

These equivalent parts are made to the same safety and reliability standards as OEM parts and often even built in the same factory, giving you same or better quality and performance.

Mavrik parts are built for those who blaze their own trails.

You'll find Mavrik OEM-equivalent parts for:

- hot side
- cold side
- hardware & supplies
- food prep & serving
- warewash & washroom
- kitchen ventilation
- PPE
- cleaning
- safety

YOU CAN COUNT ON MAVRİK PARTS FOR:

SAFETY

OEM parts and Mavrik OEM-equivalents meet the exact same safety requirements.

EFFICIENCY

Mavrik parts can help you get the longevity you need out of your equipment.

RELIABILITY

Mavrik parts are tested for reliability and often hold industry-recognized certifications.

WARRANTY

All Mavrik parts are backed with an incredible 180-day warranty.
