# URANUS Marine

Based in Dammam, URANUS MARINE is a young and dynamic company that provides a wide range of general and specialized ship supplies, equipment, tools & stores to ship owners, ship managers and offshore. Our services are available for Cargo Ships, Cruise Ships, Tankers, Chemical & Oil Vessels, Ferry Boats and Mega-Yachts.

URANUS MARINE has a network of stockists and suppliers to provide all kind of ship stores with the best quality at very competitive prices. We are able to prepare and deliver supplies at short notice, taking into account the turnaround time of vessels visiting our ports. We pride ourselves on being reliable and being able to cater to your specific needs by using our wide network of service partners in the region, in order to not only service you in the UAE, but also to provide supplies at other ports as well. We have build a highly skilled, motivated and fully trained team to assist you fulfilling your vessel requirements. We strive for complete customer satisfaction and always welcome customer's feedback to help us continuously improving our services, therefore we diligently work to find ways to improve the business of our customers at sea.

Our standard service includes delivery on short notice, 24H service and just in time delivery as well as professional, individual and personal service on site. It is of great importance to us to establish a long lasting customer relationship on a fair and solid basis. WE STRIVE TO BE YOUR FIRST CHOICE SHIP SUPPLIER IN THE MIDDLE EAST.

# Services

URANUS MARINE provides a great support to the marine industry by acting as eyes and hands of the vessel owners, ship managers and operators. Working tirelessly with our partners to ensure that their ships are serviced and supplied in time at any port in the middle-east. We fully understand their need to have peace of mind to focus on their core business. URANUS MARINE stocks a wide range of spare parts ensuring your vessels maintain their operational capability, as well as a comprehensive selection of deck and engine consumables. What gives us the edge in comparison with other ship suppliers in the

middle-east is the excellent quality of our products and services. Our employees try to take as much work out of your hands as possible and will just simply take that extra step for you. That is what makes us more than your average ship supplier. At URANUS MARINE we understand that no matter how large or small your requirements are, the same care and professionalism is provided each time. We know the importance of delivering a first class ship-supply service - this is our business; we strive to work with you for your utmost satisfaction

Time and money are key consideration for vessel owners, managers and operators. This is why our staff is working on full time basis, 24 hours a day to meet our clients' demands and desires. We are proud to serve you while maintaining the necessary business ethics together with a high

level of quality services, meanwhile we stay competitive. We are sure you will be satisfied with the quality of URANUS MARINE goods and services.

We pride ourselves on our delivery and operate 365 days, 24 hours,

# SHIP STORES

At URANUS MARINE, ship stores is not just our business but it is our passion and way of life. URANUS MARINE is dedicated to providing our customers with a first class range of stores and services to meet the requirements of each and every company in the global marine market place.
