

MSA - THE SAFETY COMPANY

HEARING PROTECTION

Noise Reduction Rating (NRR) is third-party certified in accordance with ANSI S3.19-1974 and EN352 and meets CSA Class A. Cap model Noise Reduction Ratings below are for medium V-Gard helmets only. Noise Reduction Rating and Attenuation Values for other helmets may vary.

HPE Muff (NRR-26dB)**HPE Cap Model (NRR-27dB)**

Designed for areas with very high noise levels, the HPE Muff/Cap model provides the highest rated protection available for low-frequency environments. A padded headband and super-soft ear cushions guarantee all-day comfort while ensuring full-time protection.

HPE - headband model	10061271
HPE - for slotted caps	10061272
Hygiene Kit, complete with cushions and inserts	10061291

**Style 26 Hearing Protector (NRR-26dB)**

Designed for high noise areas, this hearing protector comes in two models, one for use with a faceshield frame and one for a non-slotted cap.

Style 26 cap model (for faceshield frame)	10026398
Style 26 cap model (for non-slotted caps)	10022021

**EXC Muff (NRR-24dB)****EXC Cap Model (NRR-25dB)**

The EXC ear muff has injection molded inserts that provide excellent attenuation and maximum space for the ears inside the cap. Headband model offers force adjustment for individual fit. The helmet-mounted version has a spring design that offers low pressure tension and a high level of comfort.

EXC - headband model	10061229
EXC - for slotted caps	10061230
Hygiene Kit, complete with cushions and inserts	10061292

**XLS Cap Model (NRR-23dB)**

Designed to fit comfortably under safety hardhats and faceshields, it features easy-to-remove ear cushions for quick cleaning and replacement. The XLS Muff offers aggressive protection in low-moderate noise environments.

XLS - for slotted caps	10061535
Hygiene Kit, complete with cushions and inserts	10061537

Earmuff (NRR-20dB)

Comfortable ear pads ensure all-day wearing without fatigue, and the durable design provides protection in tough, dirty environments. Weight is just 8.0 ounces.

Earmuff	10004291
