

## MSA - THE SAFETY COMPANY

### HEARING PROTECTION

#### Electronic Ear Muffs

These models feature standard and advanced electronics with optional built-in-features, such as FM and CutOff.

##### **CutOff Pro Headband Model (NRR-24dB)** (shown)

##### **CutOff Pro Slotted Cap Model (NRR-22dB)**

Built-in level dependent function protects without user feeling isolated

- Lets through speech and other harmless sounds while protecting you from harmful noise
- Battery life of 1000 hours
- Amplification of weak sounds
- Auxiliary input for connection of external devices

##### **Supreme Pro Ear Muff Model (NRR-18dB)**

Optimum hearing protection with high amplification.

- Two separate, well-shielded microphones for optimum stereo effect and location of sound direction
- High amplification and natural sound reproduction without "chopping"
- Battery life of 600 hours with two standard AAA batteries
- AUX input for connecting external audio sources, such as a radio. Lead with 3.5mm mono jack plug included
- NRR is third-party certified in accordance with ANSI S3.19-1974 and meets CSA Class B

##### **FM Pro Headband Model (NRR-24dB)** (shown)

##### **FM Pro Slotted Cap Model (NRR-22dB)**

Built-in radio receiver - stereo

- Scans stations automatically
- Memory for last selected station and volume
- Automatically switches off to save batteries
- Battery life of 120-140 hours

##### **Supreme Pro-X Ear Muff**

##### **Headband Model (NRR-18dB)**

##### **Neckband Model (NRR-19dB)** (shown)

- Two separate, waterproof microphones with perfect directional hearing
- Removable headband
- High amplification and a natural realistic sound
- 600 hours battery life (with two standard AAA batteries)
- AUX-inlet (3.5mm) • Monocable included
- Tested to IP67

##### **Connect by Cable Muff Model (NRR-25dB)**

##### **Connect by Cable Slotted Cap Model (NRR-23dB)** (shown)

- Muffs come with a hard-wired 3.5mm cable adapter
- Noise-canceling boom microphone permits two-way communication with minimal interference from background noise.
- Headband version comes with padded headband with adjustable pressure and adjustable pressure tensioners.
- Available with Cutoff
