24/7 Global Presence

The Marine Industry is the main market for the Meson Group and has been so for more than 20 years. Meson AB was originally founded in 1997 and our head office and central warehouse are in Laholm, Sweden. Over the years, Meson has become a leading provider, manufacturer and stock keeper of supreme quality valves and related flow control products and systems for the global Marine industry. With our own state of the art production facilities in China and India, we can guarantee high quality and sustainable products for fast and exact deliveries, wherever its needed, through our network of warehouses and sales offices. Today, our global business is centered through our head office and northern Europe's largest stock in Sweden and our sales offices and warehouses in USA, Denmark, Norway, Spain, Dubai, India, Singapore and China. Within Mesons global network, we will find the right solution for each vessel; from standardized spare parts to complex projects, such as SOx-Scrubber, Ballast Water Treatment systems and installations. Meson Group is approved by ABS, BV, DNV, Lloyds Register, RINA, CE, ISO and EN.

Since 2010 Meson AB is a wholly owned subsidiary of Indutrade AB, a Swedish public company.
