

# Lifeboats, Hooks and Davits Service

**Peace-of-mind compliance wherever you sail**

**VIKING LIFE-SAVING EQUIPMENT**  
*Protecting people and business*

# You're in **safe hands**

Shipowners can experience fluctuating and potentially risky service quality as well as varying pricing in different ports around the world.

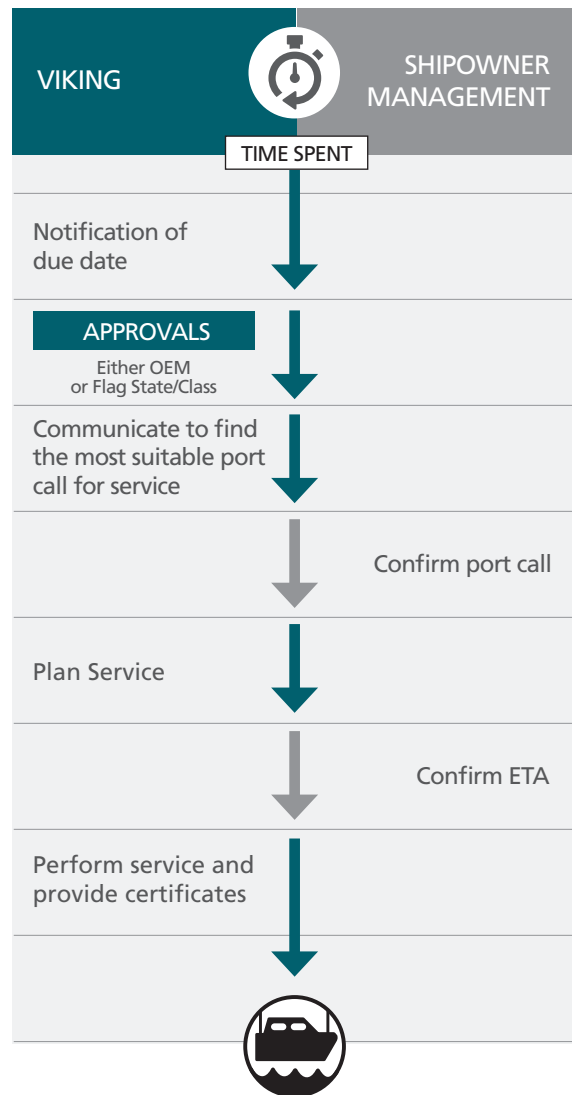

Choose between highly competitive, fixed price servicing under a VIKING Shipowner Agreement or our attractive day-to-day prices around the world.

**Fixed Price Service** for predictable, annually fixed servicing prices tied to specific ports and carried out by a VIKING selected partner.

**Managed Services** covers all your multi-branding servicing needs from a single, local point of contact at competitive day-to-day prices.

No matter which type of VIKING Service Agreement you choose, you will get consistent service quality and documentation at competitive prices.

## Move 70% of your service coordination to **VIKING!**

## Key advantages

- Minimize administration with expert planning, booking and notification from VIKING
- Global network for cost-effective service where and whenever you need it
- Reduce contact to multiple suppliers with our one-stop service solutions

Complete service  
of major safety  
components

Hooks

Winches

Davits

Lifeboats

# Consolidated global servicing

VIKING servicing stations are capable of servicing your lifeboats, hooks and related safety equipment on the basis of either OEM or Flag State/Class approvals. We offer several servicing options to suit any fleet's particular needs, including customized global servicing agreements.

With qualified service technicians at certified servicing stations around the world, we offer inspections and consolidated servicing to the highest standards.

**Global coverage**  
through dedicated  
servicing stations

## Planning your next lifeboat servicing? - **Consider a hook retrofit, to stay compliant!**

According to IMO MSC.1/Circ.1392, all hooks must be compliant by no later than 1 July 2019. VIKING Nadiro offers a worldwide hook retrofitting and service, providing everything from the product to the installation.

For more details, please contact your local  
VIKING office or visit - [www.nadiro.com](http://www.nadiro.com)

**VIKING Nadiro**  
DROP-IN-BALL™ HOOK SYSTEM

# High quality servicing of every component

VIKING is certified to service all of your lifeboats, hooks and davits in compliance with MSC.1/Circ.1206/Rev.1 and MSC.1/Circ.1277.

## **Stay safe and reduce costs**

With approved servicing, you stay safe and reduce the lifetime maintenance costs while ensuring that your equipment is fully operational in an emergency.

VIKING's highly trained service technicians are certified to take care of every aspect of your lifeboat and release/retrieval system- wherever you operate.

## **We're there for you**

Our highly efficient global service network takes care of all equipment and brands – and a unique, state-of-the-art booking and servicing system ensures unparalleled coordination accuracy.

## **With VIKING global service network, you get**

- High quality and approved servicing
- Uniform planning and documentation
- Full safety compliance
- 24/7 support
