- Survey and maintenance of compasses,
- Compass adjustment,
- Service and automatic supply of International Medical outfits.

*Safety service onboard your vessel...  
just call one number and we will get all the work done !*

## Datema Nautical Safety

We facilitate a safe and carefree navigation. In a world in which navigational safety is becoming increasingly important, it's our mission as your reliable partner to really take care of all your safety & navigational needs. Our committed team of specialists work from a long nautical tradition and focus on original and innovative solutions.

Part of the Nautical Safety Group, Datema was founded in 1955 and since developed from a small supplier of charts and nautical publications into a modern multidisciplinary company, prominent in the field of nautical Safety and navigational Data. Our main focus areas are paper and

digital Charts & Publications, Safety & Rescue and Service Solutions. The company and its employees are currently based in Delfzijl and Rotterdam, supplying our products to shipping companies, ship owners, shipyards, as well as ship dealers and agents throughout the world.

## OUR KNOWLEDGE & EXPERTISE

- We have international service partners to perform the following additional services:
  - hook, crane and rescue vessels
  - inspection of life rafts.
- We have extensive knowledge of all flag state approvals and certifications, and advise you in any legislative requirements.
- We are able to service and survey every safety item that has been approved by the Class Societies.
- We are strongly solution oriented and do everything possible to avoid or minimize costs.
- We have motivated and well trained service specialists.
- We perform service both onboard or in-house via our well equipped service workshop.

## OUR DIGITAL REGISTRATION SYSTEM

- An in-house developed digital registration system with the complete scope of your vessel, including the certificates.
- We periodically supply you with a summary of certificates that will expire within the next 60 days.
- Our digital customer portal ([www.datemadirect.nl](http://www.datemadirect.nl)) allows you to monitor and manage all your service items, including the certificates for your individual vessels and/or fleet at all times.

## OUR WORLD-WIDE SERVICE

We can supply service world-wide through a carefully selected network of local partners.
