

Meet our Senior Sales Team

Sarah joined the team at TSI in 2002 primarily working in the sales department contacting new and existing customers and attending exhibitions and events worldwide. Sarah is responsible for the group acquisitions, staff activities, staff guidance, company budgets, company practices, policies and is the managing director for the group of companies.

Paul joined TSI from school in 1992. Paul started his employment working locally on Vessels and over the years he has serviced many of our customers' turbochargers on a worldwide basis. Paul now heads up the engineer team and workshops worldwide and is responsible for the setting up and development of workshop facilities for the group of companies.

Chris joined ABB Antwerp in 1989-1999 as Technical manager. During this time, he was promoted to business unit manager responsible for Belgium within the ABB Group. Chris joined TSI in 2013 as Commercial Director and is in charge of our sales pricing and supplier management.

Ed has over 35 years of experience in the marine industry. He sailed for 10 years on container Vessels, tankers and reefers back in the 80's. Ed joined TSI in 2003 as Global Sales Manager and took up the Sales Director role in 2008. Ed has a wealth of experience in the maritime market and now heads up the external sales team at TSI and manages some of our key accounts.

Jean Paul joined ABB in 2004 as a service engineer. A precision engineer by trade, and an engineering graduate with an MBA, he went on to join the technical team supporting the sales function with technical advisory for turbocharger operations and diesel engines. In 2017 Jean Paul joined TSI as the Sales Manager for the Mediterranean region.
