

## **Cathelco Ltd Product & Service List**

### **Marine growth prevention systems (MGPS)**

Copper anodes

Aluminium anodes

Ferrous/Soft Iron anodes

(ICAF Anodes, Box Cooler Anodes, Flanged Sleeves, Weld in Sleeves)

### **Impressed current cathodic protection systems (ICCP)**

ICCP anodes (elliptical, circular, discs, linear and linear loop anodes)

Reference electrodes – zinc

Reference electrodes - silver/silver chloride

Shaft earthing – copper slip rings with silver inlay

Shaft earthing – high density silver graphite brushes

Shaft earthing - single brush holders

Shaft earthing - double brush holders

### **Reverse osmosis desalinators**

Filter elements

Membranes

Complete range of spares

### **Ballast Water Treatment Systems**

Combining filtration and UV irradiation with capacities from 34m<sup>3</sup>/h to 2,400m<sup>3</sup>/h.

Complete range of spares

### **Service Engineers**

Servicing of ICCP systems

Servicing of MGPS/ICAF systems
