LALIZAS Sprayhood (ISO 12402-8) for Inflatable LifeJackets ISO 12402-3

LALIZAS Sprayhood is an additional accessory suitable for every adult inflatable 150N lifejacket. It is designed to fit over the head and cover the inflated chamber; It makes the lifejacket visible due to its orange color and reduces the amount of water spray on a person's face. It's equipped with ventilation holes for easy breathing, SOLAS approved reflective tapes and it is very easy to use.

It is provided along with donning & storage instructions while in water sprayhood assembly on Lalizas Lifejackets and sprayhood folding instructions

Suitable for Sigma, Alpha, Kappa & Delta
