

## THE ADVANTAGE

OEM Laundry Parts, LLC advantage begins with our ability to provide you with a single source to meet your laundry needs from world class suppliers of equipment and parts. We are strategically allied as an IPSO certified supplier with access to the Alliance Laundry Systems vast array of products. We have also developed special supply agreements with the most important names in the laundry industry.

Our "mission critical" parts program will give you access to the parts we identify together as must have in 48 hours in our warehouse.

Added to our one stop shopping and "mission critical" inventory management OEM is also recognized as a WOSB (Woman Owned Small Business) and is certified by WBENC (Woman's Business Enterprise National Council). This designation will help you meet your supplier diversity programs goals and help you meet your responsibility to your community.

Let us help you in benefiting from the  
**OEM ADVANTAGE.**
