

JA Moody, LLC • Cage Code: 3B558 • Since 1970 - Keeping Ships at Sea

## Company Overview

JA Moody is a premier maritime supplier of flow control valves, actuators, strainers, pumps, parts and services to the United States Navy and Commercial Marine industry. We're proud of our decades of service. For over 55 years, we have been a highly trusted maritime supplier. Our DNA is all about compliance, customer satisfaction and keeping ships at sea. 80% of our Executive Management Team served in the military or merchant marine so we know how important isolation and flow control is to any vessel whether afloat, undergoing maintenance, or being built.

## Core Competencies

Our expertise is centered on providing comprehensive, turnkey solutions for all shipboard flow control requirements.

- Valve, Actuator, Strainer & Pump Distribution:** Authorized and exclusive stocking distributor for a wide range of MIL-SPEC and commercial-grade valves (butterfly, ball, gate, globe, check, pressure regulating), electric and hydraulic actuators, strainers, sliding shoe and diaphragm pumps and related fitting and flange components.
- System Engineering & Technical Support:** Expert technical insight for transforming complex flow control problems into result-driven, sustainable solutions.
- Obsolescence & Hard-to-Find Parts Sourcing:** Extensive experience and database for sourcing obsolete and difficult-to-find components.
- Repair, Overhaul & Testing (via sister company Moody Marine Service):** Factory-trained technicians provide in-shop and onboard repair, overhaul, and testing for valves, actuators, and hydraulic systems. Services are available 24/7/365 to ensure fleet readiness.
- Shock & Vibration (S&V) Program Management:** Proven expertise in guiding clients through the complex Navy-Certified Shock Test Facility process, from witnessing and procedure review to post-test reporting, saving time and cost.

## Differentiators

- Unmatched Technical Expertise:** Our sales and service teams include former U.S. Navy, Coast Guard, and Merchant Marine specialists.
- 24/7/365 Repair Services:** Our commitment to readiness means our expert technicians are available anytime, anywhere to support the fleet.
- Focus on Innovation:** We work with our manufacturing partners to introduce cutting-edge, qualified products to the U.S. Navy, such as the Next Generation Hardened Seat TOTS Valve.
- Proven Navy & MSC Partner:** Selected to present at the US Navy Small Business Showcase at Sea Air Space. Proven track record of providing reliable solutions to NAVSUP and MSC.
- ISO 9001:2015 Certified**
