ABOUT COMPANY

RSME is an ISO 9001-2015, HACCP and ICV certified Offshore Support Services Company, a renowned establishment supplying all kinds of provisions, bonded stores, deck and engine supplies. With offices and facilities across Middle East, Asia and Africa we have a better advantage in providing our clients with round-the-clock quality service at all times.

With Ship Chandelling being our core line of business, and the range of our product line together with value added services and quality of products along with competitive pricing has helped us establish ourself as one of the leading offshore services provider in the Middle East.

MISSION & VISION

MISSION

- To help our clients meet both shore and offshore based requirements by offering a comprehensive range of high-quality services and cutting-edge products.
- To provide solutions that are seamlessly integrated to ensure optimal performance, aligning with budgetary constraints while minimizing operating costs.

VISION

- To be the preferred and trusted ship chandler and service provider, consistently delivering exceptional value and solutions to both our existing and new customers alike.
- We aim to lead the industry through unwavering commitment to quality, reliability, and customer satisfaction.

WORDS FROM THE FOUNDER & DIRECTOR

At Remote Site Middle East (RSME), our journey began with a clear vision—to bridge the gap between offshore marine assets and dependable onshore support. From our headquarters in Doha and through our expanding presence across Qatar, UAE, KSA, and Africa, we have built a strong reputation for delivering reliable marine, offshore, and chandling solutions tailored to our clients' needs.

What sets us apart is not just what we deliver, but the values we stand by. Integrity, reliability, and customer-focus guide every service, every partnership, and every commitment we make. Our priority is to ensure that vessels and offshore operations run smoothly, efficiently, and with complete confidence.

I take immense pride in our dedicated team whose expertise and resilience have transformed RSME from a local provider into a trusted regional partner. Their commitment to excellence strengthens the relationships we build and reinforces the trust our clients place in us.

As we move forward, our mission remains unchanged: to expand our global reach while preserving the personal trust, quality, and reliability that define the RSME name. We don't just deliver supplies—we deliver peace of mind to maritime professionals around the world.

Sagar Jadwani (Managing Director & Founder RSME)

At Remote Site Middle East (RSME), I've had the privilege of seeing our growth from a small vision to a trusted regional partner across Qatar, UAE, KSA, and Africa. What makes RSME truly stand out is our commitment to integrity, reliability, and genuine care for our clients.

I am proud of our team whose dedication ensures seamless support to every vessel and offshore operation we serve. Their effort is the foundation of the trust our clients place in us.

As we continue to expand, our focus remains the same: to deliver dependable, high-quality solutions while maintaining the personal attention that defines the RSME name.

Kanak Sagar Jadwani (Director RSME)

At Remote Site Middle East (RSME), our presence in the UAE reflects our commitment to delivering reliable, timely, and high-quality marine and offshore support in one of the region's most dynamic maritime hubs.

As Director – UAE, I take pride in our strong local team and trusted partnerships that enable us to support vessels and offshore operations with efficiency and consistency. This dedication ensures that every client experiences the service standards and reliability that define the RSME name.

As we continue to grow in the UAE and beyond, our focus remains clear: strengthening relationships, upholding our core values, and delivering dependable support our clients can rely on.
