PART OF WESTERN SHIPYARD GROUP

COMPANY IN FACTS

Our highly qualified team has experience in providing agency, chartering and freight forwarding services for 20 years now and is always ready to offer solutions for your requests in the short term. Our main goal is to satisfy principals' and clients' needs by providing spectrum of services.

SERVICES

CHARTERING

Providing a complete range of services in order to ensure the prompt and cost effective movement of your cargo, whatever its size is, from point of origin to its final destination.

FREIGHT FORWARDING

Assisting our clients in various fields of forwarding and examining all the possibilities in order to solve logistical matters. The main goal is to minimize costs and reach best transit time in order to guarantee competitive rates and fastest delivery terms for our clients.

AGENCY SERVICES

Responsible for organizing, overseeing, and coordinating all aspects of the port call, booking berths, coordinating with port authorities, immigration, customs, and other parties involved. Additional services can be arranged such as customs clearance, crew change, cash to master deliveries and other clients special requests.

ABOUT THE COMPANY

Our core activity is to provide the best assistance in Klaipeda port to the ship owners and operators for any matters during vessel's stay in Klaipeda port. Our strongest side is to provide multipurpose agency services for long-term extraordinary projects for all types of vessels calls in Klaipeda port: ship repairs, conversions, cargo operations, lay-ups, etc.

SERVICE FEEDBACK
