Custom Length Stud Cutting

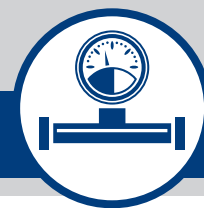

CUSTOM STUD CUTTING

We offer custom length stud cutting service for B7 material. We can cut diameters of 1/2" to 2 1/4". All cut studs will have manufacturers stamp, chamfered ends and come complete with MTR's.

Service and Support

Our capabilities include in-house or on-site repair, service and testing of pressure relief valves, actuated and manually operated isolation valves, and control valves per ASME "V", "UV" and NB "VR" certifications.

- Repairs, testing and calibration to all manufacturers' manual and automated isolation and control valves, using only OEM replacement parts.
- Retrofitting of manual to actuated valves
- New automated valve sales
- Valve management services

In House Heating/Cooling Design Service

Source Atlantic offers a complete Heating Design Package using HRAI Software. Our package includes:

- Detailed heat loss and gain calculations
- Baseboard and radiant loop layouts
- Heat pump sizing and duct calculations

Heating Layout

Services

- In house heating design services include radiant, solar, ductwork, geothermal and cooling
- Pick up counter or self serve alternative (available at most locations)
- Technical Experts:
 - Solar - Geothermal - Radiant
 - Heat Pump - Cooling
- 24/7/365 Emergency After Hours Service
