V-LINK MARINE SUPPLY AND SERVICE CO.LTD

your trust anchor at sea&one stop marine solution worldwide

Aout us

V-LINK(VESSEL LINK)MRINE SUPPLY AND SERVICECO.LTD,Which is established in Nantong in 2001(Ex name-Kingport) Rename as V-link on 2013.with the aim"Superior quality,competitive price,High -Esteemed,sincere service!" V-link growing up quickly and had set up branches office&stock points

In Shenzhen,Guangzhou ,Qingdao,Zhoushan,Hong Kong Dalian ,and built service centers in all main ports of China to cover all ports&shipyards for timely service,had good cooperation with more than 40 global ship owners.We had Obtain Good Reputation Among Our Clients For Marine Supply&-Service&Supervisions!

Our Main supply items:

- 1:General deck/engine stores,initial stores /equipment for new buildings.
- 2:hatch cover spares-(Winches,breaking linings, Rubber packing, Poly pad,Hatch cover roller,Container socket&locks,bollard roller,Bow chain stoppers ,watertight doors,Electrical/Hydraulic motors,)BWTS/Scrubber spares(PE Lining pipes fabrication,Expansion joints,ANSI cargo Reducer,Al-Brass pipes,Silver-Blazing heating coil sockets,GRE pipes/gasket/clamps,Duplex spools fabrication,Valves,hydraulic hand pumps,Strainer,Cables Supporter set)
- 3:Deck/Engine spares- Classed Marine valves&keystone/Nakakita seat rings ,coolers/Evaporator/chillers/condenser/Marine motors/pump as,Class approval Coupling bolts and materials,Crane sheave sand Wires,Air vents,Wires& Mooring ropes.Pipe coupling and clamp,Zinc /Allium Anodes,Thermometer &pressure gauges .Anchor chain and Shackles,M/E spares,Generator,Turbo charger VTR/TPS,HIH,MANNR,Alarm,Sensors,Dan-jet are) stock bushes.
- 4:Safety Equipment&Navigation&charts Publication IMO symbols.
- 5:Hydraulic oil/Marine chemicals
- 6:Provision

Our Main service items:

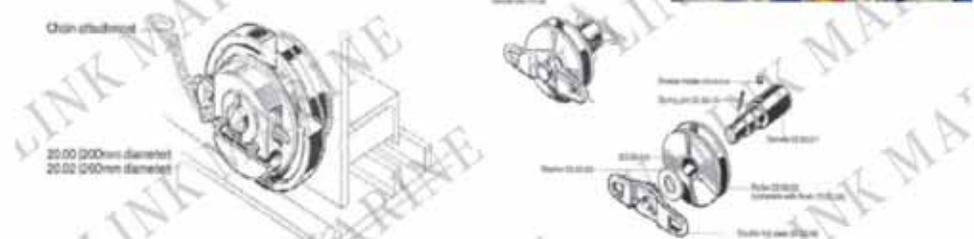

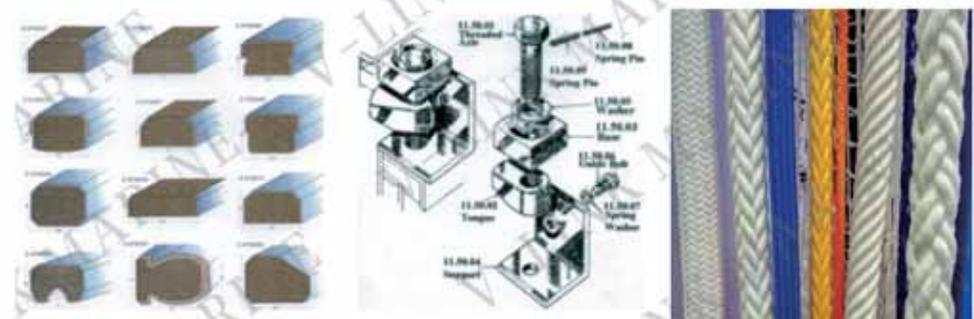

Voyage repair/BWTS installation/Riding team service/lifeboat and marine safety service/Hydraulic system service & repair/Heat ex-changer manufacturer and coolers chemical cleaning & spares supply /meter & gauge & gas detector calibration /wheel house navigation/communication equipment/Automation equipment Survey and repair/Pipe fabrication,PE-lining/spares fabrication/UT/Underwater Service etc.

Supervision job:

- We had contracted or fixed experienced maker service engineers can be below Jobs
- Dry dock site Supt arrangements
- Windlass/mooring Winch supervisor
- Hatch cover supervisor
- Cranes supervisor
- Steer gearing/thruster supervisor
- Steel/pain supervisor
- BWTS /scrubber supervisor

Our company have 14 experienced &english speaking coordinator can follows drydock projects on site ,Let your drydock more efficiency and save budget for owners' urgent demand . We Sincerely Look forward built good cooperation with you in the future!Try to be your Special technical supply &service provider at Sea!

VESSEL LINK (V-LINK)MARINE SUPPLY AND SERVICE CO.LTD

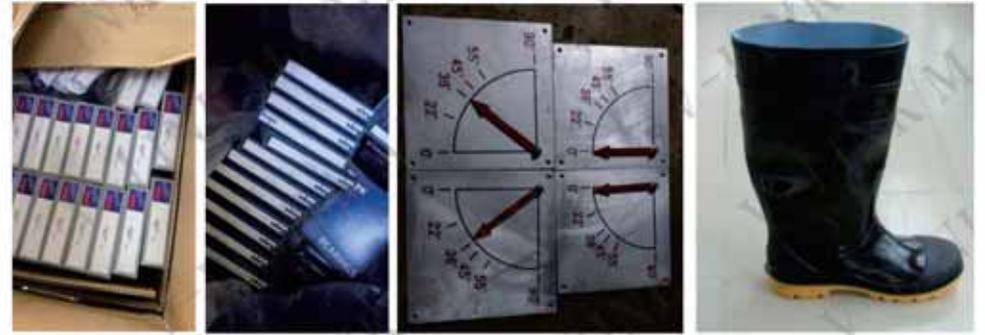

我司可供产品明细如下:

1. 主机类:

- MANBAW** S26MC,L/S35MC/ME/MC-C,S40MC,L/S42MC,L/S50MC/MC-C,L/S60MC/MEC/MC-C,

1, lifeboat and marine safety service

- * marine portable, movable fire extinguisher inspection, recharging, pressure test and renewal;
- * fixed co2, foam, dry power and other gas system cylinder weight checking(level checking), recharging, line blow through, pressure test, maintenance and repair;
- * EEBD, SCBA and medical oxygen bottle inspection, recharging and pressure test;
- * inspection and pressure test for immersion suit, chemical protection cloth and fireman outfit;
- * foam analysis.
- * **fixed foam tank foam supply and recharging.**
- * lifeboat annually and 5-yearly inspection and testing and repair(launching appliances and on-load release gear periodical servicing complying with MSC/Circ.1093 guidelines for periodic servicing and maintenance of lifeboats, launching appliances and on-load release gear under SOLAS regulation III/20 and notes; launching appliances and davit on-load release gears dynamic testing with load.
- * **supply rubber pipe of co2 room fixed bottle with class approval;**

2, Hydraulic system service & repair

- * hatch cover hydraulic system repair/renew spare and service by good experience engineer before working in macgregor;
- * windlass and winches hydraulic system;
- * deck crane hydraulic system;
- * ballast valves hydraulic system;
- * steering gear hydraulic system;
- * hydraulic system trouble diagnose, system design, installation and calibration(such as butterfly valve control console designed, lifeboat hydraulic system designed, radar mast hydraulic system etc);
- * hydraulic motors, hydraulic pump, hydraulic cylinders and hydraulic valve overhaul, check and repair and by workshop's multi function pack testing;
- * hydraulic pipes reformed, installation, acid wash, circulate flush by flush pack;
- * engineering ship hydraulic system(such as ibi cutter hydraulic system, bridge hydraulic system, grab hydraulic system, ibi draghead intermediate winch hydraulic valve group system, spud hydraulic system etc) ;
- * supply hydraulic new spare and second hand spare(such as motor, cylinder, jacks , pump, valve, oil seal, hydraulic accessories) ;
- * fabrication(gear box, spindle chromic coating, blades, piston rod chromic coating etc).
- * fuel oil ejector plunger/barrel recondition;
- * hydraulic ram cylinder and plunger recondition.

3. Heat exchanger manufacturer and chemical cleaning & supply parts

- * air cooler of all type of main engines(sulzer, b&w, m.a.n mitsubishi, wartsilla, alpha, yanmar etc), material : tube sheet is naval brass , cu-ni, aluminium brass, fin is copper;
- * heater, fw generator, condenser, evaporator;
- * plate heat exchangers with chemical cleaning, UV crack detection, re-gasketing and oven-curing, supply of gaskets and spares and service in china any port and yard .

Recondition of M/E piston crown & cylinder cover & exh. v/v spindle and seat & piston skirts & connecting rod & crankshaft & propeller and supply water jacket for cylinder liner and cylinder cover and corroded area/pit building up by belzona and foundation building up by chockfast orange and pump casing building up/recondition.

4. meter & gauge & gas detector calibration

- * multifunctional digital meter calibration (voltage meter, amperemeter, power meter, cymometer)
- * thermometer calibration;
- * pressure gauge & vacuum gauge calibration;
- * gas detector calibration (o2, co, h2s, chx) & UTI (C.O.T ullage/temperature monitoring alarm system);
- * tank gauging, pressure, temperature, H-lever /overflow /HH lever alarm system etc;
- * oil discharge monitoring equipment calibration & repair
- * Service cargo master sensor (repair and calibration).
- * torch wrench calibration.
- * ballast tank level/draft gauging system;
- * oil content meter (15ppm) for bilge oily water separator;
- * cargo hold water ingress alarm system/dewater system;
- * bilge water level alarm system service;
- * draft and trim system service;
- * AUS gaugae and transmitter calibration;

5, wheel house navigation/communication equipment system annual service & repair

- * supplying, installation, repairing and maintaining all kinds of marine electronic equipment and instrument for navigation, communication, automation, such as ARPA/RADAR, GMDSS, INMARSAT FLEET 77, AIS, SSAS, EPIRB, ECHO-S/DEEP RECORDER, DOPPLER SPEED-LOG, PUBLIC ADDRESS/TALK BACK SYSTEM, GPS, GYROCOMPASS, MAGNETIC COMPASS, SART, ANEMOMETER, WEATHER FACSIMILE RECEIVER, IBS, DP system, VMS & PMS and other automation system etc.
- * Our service team had been certified an expertise to act on behalf of ABS, CCS, NKK, DNV, GL, BV, KR, CR, IRS, INSB and etc. for safety radio survey (GMDSS MF/HF RADIO EQUIPMENT, VHF RADIO TELEPHONE, INMARSAT-C, NAVTEX RECEIVER), AIS, SSAS, EPIRB) & VDR AND S-VDR Survey;
- * Every body of our service team joined professional training course in manufactory, such like Furuno, JRC, Sailor, Sperry Marine and etc
- * autopilot systems;
- * supply and install new ECDIS.
- * provide excellent service in marine electronic service field for you.

6, Automation equipment survey and repair

- * main engine pneumatic remote control system& safety guard & telegraph (repair kit from rexroth and alfa);
- * MAIN ENGINE - VIT ACTUATORS OVERHAUL;
- * MAIN ENGINE - REVERSING AIR CYLINDER OVERHAUL;
- * engine control room monitoring/alarm/control console system;
- * MAIN ENGINE GOVERNOR, Make : Nabeo;
- * ENGINE MONITORING & ALARM SYSTEMS;
- * BOILER - BURNER MANAGEMNET SYSTEM, boiler combustion system inspection and repair;
- * BOILER - PNEUMATIC CONTROL SYSTEM
- * NITROGEN GAS GENERATOR, inert gas monitoring and control system(IGS);
- * fire alarm detection system and cargo hold smoke detection system;
- * pneumatic/electrical temperature(Purifier F, O heater A/B, GE F, O heater, ME jacket cooling F, W, GE cooling FW, ME L, O, Purifier L, O, ME F, O heater, pressure cont excess steam, tank cleaning s.w heater)/pressure detection/indication/control system;
- * M/E, A/E, FO viscosity detection/indication control system;
- * elevator control system repair and calibrator;
- * accommodation AC and provision reefer system;
- * Aux.boiler/incinerator/fresh water generator alarm/ automatic control system;
- * boiler drum water level gauging detection/indication alarm control system;
- * public address system;
- * steering gear and autopilot control system;
- * anti-fouling system(copper anode, aluminum anode, controller, and seawater electrolysis anti-fouling systems);
- * ship hull anti-corrosion system(sacrificial anodes and ICCP - impressed current cathodic protection system);
- * A/E remote control/safety alarm monitor system;
- * main power station and D.G automation control system, such as automatic start/stop/load sharing and shifting;
- * main switch board/group starter/alarm/control system;
- * M/E crank case oil mist detector;
- * ballast/bilge valve shut/open control/indicator system;
- * electro-hydraulic deck crane, mooring winch, windlass and rudder mechanical control system;
- * pump room/void space various gas detection alarm system;
- * vessel control system conversion/commission such as ballast/bilge control system conversion and boiler automation conversion;
- * instrument pipe line and cable laying;
- * UV sterilizer; * rudder indicator system;
- * engine room bilge alarm monitoring system; * sewage treatment plant;
- * distilling system controls and instrumentation;
- * waste oil and garbage incinerator;
- * sewage treatment plant; * bow thruster control system servicing and repair;

7, SPARE PART AND FABRICATE

1. Fabricate crane hydraulic (pipe maker is "GOOD YEAR).	
2. Fabricate high pressure pipe (1800bar) With 3-way valve for M/E and A/E.	
3. Fabricate CO2 rubber pipe with DNV or LR Certificate.	
4. Fabricate boiler valve gasket as per sample.	
5. Supply multi-tube.	
6. Fabricate copper or stainless steel pipe coupling for connecting pipe.	
7. Fabricate air cylinder for foam system as per sample.	
8. Fabricate throttle valve as per sample.	
9. Supply shuttle valve.	
10. Supply original SKF bearing (made in china SKF manufactory or another country SKF manufactory)	

8, Dock broker/voyage/anchorage repair & services covering all ports in china

- * Steel/pipe renewal, machinery overhauling, electrical repairs, renew anchor & anchor chain, renew crane bearing;
- * Accommodation and pilot ladder repair;
- * Deck crane repair;
- * Motor rewinding, rotor dynamic balancing, metal spraying etc;
- * Refrigerator and a/c spare parts & system repair(dakin, sambroe, Copeland, bittzer, recon);
- * Bulk carrier water ingress detection system and dewatering system servicing;
- * Crane repairs for malfunction of luffing, slewing, hoisting and twin operations,
- * Automation equipment survey and repair;
- * Hydraulic system service & repair;
- * Heat exchanger manufacturer and chemical cleaning & supply pares;
- * Marine boiler repair/re tubing;
- * tanker demucking and sludge oil disposal,
- * M/E emergency repair;
- * M/E, A/E maintenance(governer & turbocharge);
- * UTW(ultrasonic) thickness measurement, NDT(non-destructive test): UT,MT,PT,RT steel and welding visual inspection;
- * compass and elevator service;
- * gas detector product & calibration(bw and riken reiki);
- * stern tube seal renewal in afloat condition,
- * propeller damaged parts repair;
- * underwater inspection and cleaning;
- * Bridge navigational watch alarm sytem(BNWAS) equipment supply and installation;
- * supply and install new ECDIS,
- * overhaul fuel oil pump and adjust fuel pump timing,
- * supply grab;
- * supply rubber pipe of co2 room fixed bottle with class approval;
- * meter & gauge & gas detector calibration;
- * wheel house navigation/communication equipment system annual service & repair;
- * stainless steel surface treatment;
- * lifeboat and marine safety service;
- * Recondition of M/E piston crown & cylinder cover & exh. v/v spindle and seat & piston skirts & connecting rod & crankshaft & propeller and supply water jacket for cylinder liner and cylinder cover and corroded area/pit building up by belzona and foundation building up by chockfast orange and pump casing building up/recondition;
- * Underwater;
- * Marine cathodic protection system;
- * Ballast water management system supply and installation;
- * Supply engine spare, marine stores and outfitting & difficult spare manufacturer
