

GloBeCo delivers ship handling services for offshore projects and merchant vessels across African ports. In addition, we provide tailored procurement and supply chain solutions to support the Oil & Gas and mining industries on the continent.

With over 20 years of industry experience and a culture built on mutual respect, GloBeCo consistently goes the extra mile to ensure reliable, cost-effective, and timely solutions for our partners and clients.

SHIP CHANDLING SERVICES

GloBeCo secures the supply of a wide range of products and services at most African ports, working either through our own branches or via trusted partners.

We operate with a strong supply chain and a broad network of local and international suppliers, ensuring delivery within agreed terms. Our offering includes deck and engine stores, marine lubricants, chemicals, PPE, pyrotechnics,...

In addition, our close connections with farmers enable us to provide top-quality provisions, cabin supplies, and bonded stores, ensuring both freshness and reliability for our clients.

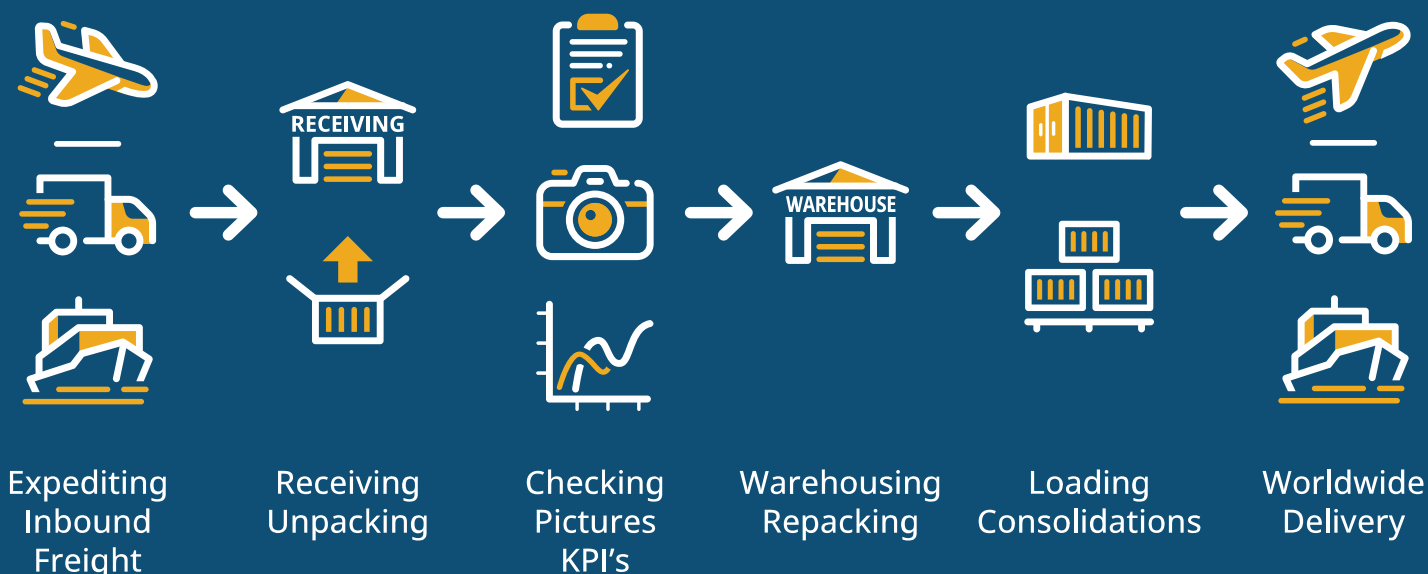

TAILOR-MADE PROCUREMENT SOLUTIONS

At GloBeCo, we partner with our clients to design practical, flexible, and customized solutions that cover every stage of the procurement and logistics cycle.

OUR EXPERTISE INCLUDES:

- Sourcing & procurement of materials and equipment
- Expediting & inspection to ensure compliance and quality
- Consolidation of shipments for cost efficiency
- Export packaging tailored to international standards
- Transportation services across multiple regions
- Importation support to simplify customs processes
- Final delivery directly to the client's doorstep

By integrating these services, GloBeCo ensures efficiency, transparency, and reliability, helping clients focus on their core operations while we manage the complexity of the supply chain.
