Market Segment: Agriculture

Key Contacts: EH&S Manager, Facilities Manager, Owner, Safety Manager

Market Applications	Recommended Products
Agriculture spill containment for fuel tanks	Containment Sumps, Containment Berms
Animal waste runoff issues (high phosphorus)	Phos Filter Media
Used oil/diesel drum & IBC containment	Spill Pallets, Hard Tops, Containment Berms, IBC Spill Pallets, IBC Hard Tops
Pesticide, fuel and fertilizer storage	Spill Pallets, Hard Tops, Containment Berms, IBC Spill Pallets, IBC Hard Tops
Erosion control issues	Gravel bags, Erosion Guard
Fence, tank, or pivot repair work	Tactical Welder
Waste/water retention ponds with hydrocarbon issues	Archaea, X-TEX

Market Applications	Recommended Products
Spill containment for yards and maintenance facilities	Containment Berms, IBC Pallets, Hard Tops, Containment Sumps
Parking lot storm drains	Drain Guards, HydroKleen
Railroad railcar and locomotive maintenance	Spill containment, spill response, and Track Pans
Rail maintenance repair work (remote)	Tactical Welder
Spill response for ruptured fuel tank	Spill Berms, Drain Seals, and Popup Pools
Trench drains	Trench Filter Boom
Fueling vehicles must be parked in secondary spill containment overnight per SPCC	Containment Berms
Damaged or leaking drums or IBCs	Spill Pallets, Drain Seals, Spill Berms, Overpacks
Single drum portable pumping/dispensing	Hard Top P1 Plus, Spill Collectors
Outdoor storage of drums or IBC totes	Hard Top spill pallets
Bulk storage area for dispensing	Containment Berms, Spill Pallets, IBC Pallets
Flammable safety cabinets	Safety Cabinet Bladder System
Oil/water separators	Archaea, X-Tex
Runoff from roof/galvanized fence	HydroKleen for Heavy Metals, Drain Guard, Heavy Metal Model
Wastewater	Stormwater management and spill containment products, X-Tex
Protective posts/bollards	Post Protectors
Smoking area	Smoke Stops
Warehouse beams, walls, corners, and shelving	I-Beam Protectors, Corner Protectors, Wall Protectors, Rack Protector Plus

Market Segment: Construction

Key Contacts: Engineer, Environmental Manager, Site Manager/Supervisor, Stormwater Manager

Market Applications	Recommended Products
Concrete washout area	Concrete Washout Berm
Road construction projects	Erosion Guard (to slow-down erosion, mainly in ditches), Filter Socks
Generators, light towers, pumps or other pieces of equipment that could leak diesel	Containment Berms
Fuel tanks, whether double walled or not (double walled tanks meet containment regulations but not stormwater regulations)	Containment Sumps
Secondary containment for concrete curer, oils and other chemicals used onsite	Spill Pallets, Hard Top Plus
Extension cord management/protection	Sidewinders
Emergency spill response	Pop Up Pools, Drain Seals
Stock dirt piles and waste	Filter Socks, Erosion Guards
Protection of storm drains - Standard drop inlet with grate - Curb inlet	- Drain Guards, Inlet Guards - Curb Guard Plus
Ditch or hillside check dams to slow water/erosion	Erosion Guard
Construction site ponding, excavation holes getting filled with groundwater	Dewatering Bags
Construction site barriers for surrounding site, site entry and exit	Silt Dike, Gravel Bags, Filter Socks
Smoking areas	Smoke Stops

Key Contacts: EH&S Managers, Engineer, Environmental Manager, Facilities Manager, Hazmat Manager, Industrial Hygienist

Market Applications	Recommended Products
Waste disposal and storage of drums and IBCs	Spill Pallets, Spill Decks, Hard Top Plus
Transportation of waste and leaking drums	Overpacks
Cleaning up oil spills	Archaea, Booms, Stain Remover
Staging spill clean ups	Containment Berms
Hazmat response	Spill response products like Drain Seals, Spill Berms, Pop Up Pools
Write and implement SWPPP	All Stormwater products
Write and implement SPCC	All Spill Containment products
Environmental remediation and clean up	Archaea
Various applications to remove oils and greases from water	Archaea, X-Tex
