

Complete Gas Welding & Cutting Solution for Maintenance Onboard

The safety aspect is crucial for all use of oxygen and acetylene onboard a ship. The WSS solutions are based on safe transportation and storage of cylinders. All equipment is standardised and comply to appropriate standards and regulations.

GAUGE GUARD
619379

REGULATOR 510
Oxygen, 510000

FLASHBACK ARRESTOR
W-66 f/ Oxygen 302976
Alternative:
S-55 f/ Oxygen 708545

HEAT RESISTANT MITTEN
233148

HOSE JOINT
F/ 6 MM (1/4") OXYGEN HOSE 175596
F/ 6 MM (1/4") ACETYLENE HOSE 175568
F/ 9 MM (3/8") OXYGEN HOSE 175612
F/ 9 MM (3/8") ACETYLENE HOSE 175604

HOSE CLAMPS, EAR TYPE
f/6,3mm (1/4") hose, 20 pcs 768416
f/9mm (3/8") hose, 20 pcs 768432
PINCHER TOOL 768507
HOSE CLAMPS, SCREW TYPE
f/ 6 mm (1/4") hose, 10 pcs 729442
f/ 9 mm (3/8") hose, 10 pcs 729443

REGULATOR 510
Acetylene, 510001

SHANK
174656
(with 6mm (1/4") hose sockets/non-return valves)

SOCKET/NON RETURN VALVES FOR SHANK
Ac 6mm (1/4") 597336
Ox 6mm (1/4") 597344
Ac 9mm (3/8") 651265
Ox 9mm (3/8") 651257
ALTERNATIVE:
FLASHBACK ARRESTOR FR-20
Ac+Ox Set for Shank 6mm (1/4") socket 619270

FLASHBACK ARRESTOR
W-66 f/ Acetylene 183970
Alternative:
S-55 f/ Acetylene 708537

HOSES
Twin gas hose 2 x 6 mm (1/4") 526434
Twin gas hose 2 x 9 mm (3/8") 624312
Twin gas hose 6mm (1/4")
10m with fittings 526472
Twin gas hose 9mm (3/8")
10m with fittings 526478
Twin gas hose 9mm (3/8")
25m with fittings 526482
Gas hose 6 mm (1/4") Ac 175554
Gas hose 6 mm (1/4") Ox 175562
Gas hose 9 mm (3/8") Ac 175539
Gas hose 9 mm (3/8") Ox 175547

ACCESSORIES
Triplex Gas Igniter, 2 pcs 633198
Spare Flint Set, 10 pcs 633206
Cleaning needles 175356

QUICK COUPLING
Acetylene regulator to hose
6 mm (1/4") 734007
9 mm (3/8") 734016

QUICK COUPLING
Oxygen regulator to hose
6 mm (1/4") 734001
9 mm (3/8") 734019

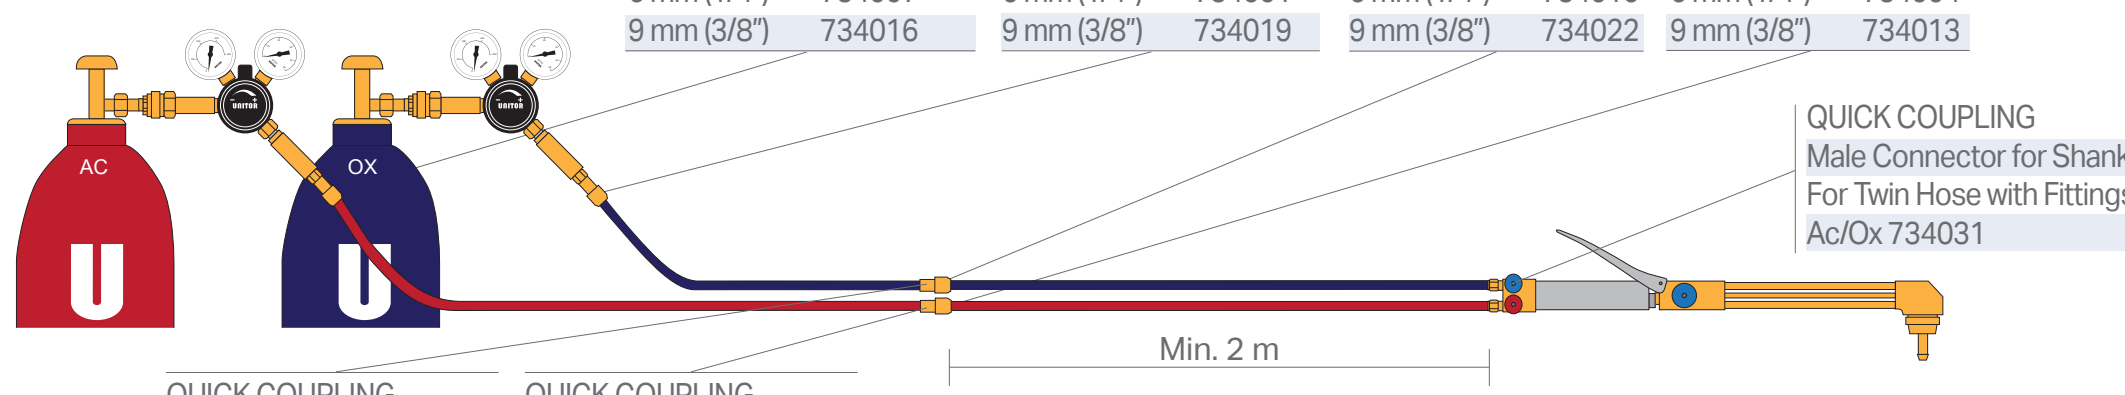

QUICK COUPLING
Oxygen hose to hose
6 mm (1/4") 734010
9 mm (3/8") 734022

QUICK COUPLING
Acetylene hose to hose
6 mm (1/4") 734004
9 mm (3/8") 734013

QUICK COUPLING
Male Connector for Shank
For Twin Hose with Fittings
Ac/Ox 734031

QUICK COUPLING
OX Hose to Hose
For Twin Hose with Fittings
734028

QUICK COUPLING
AC Hose to Hose
For Twin Hose with Fittings
734025

Min. 2 m

CUTTING ATTACHMENTS
Cutting Attachment 90 deg. 234807

CUTTING ATTACHMENTS
Cutting Attachment 75 deg. 174664

CUTTING ATTACHMENTS
Cutting Attachment 0 deg. 234815

GOUGING NOZZLE
Gouging Nozzle 174730

CUTTING NOZZLE
302 No.2 3-10mm 174698
302 No.3 10-25mm 174706
302 No.4 25-50mm 174714
302 No.5 50-100mm 174722

CUTTING NOZZLE FOR DIFFICULT ACCESS
Nozzle length 140mm 40-75mm 183855

ACCESSORIES
Roller guide 174672

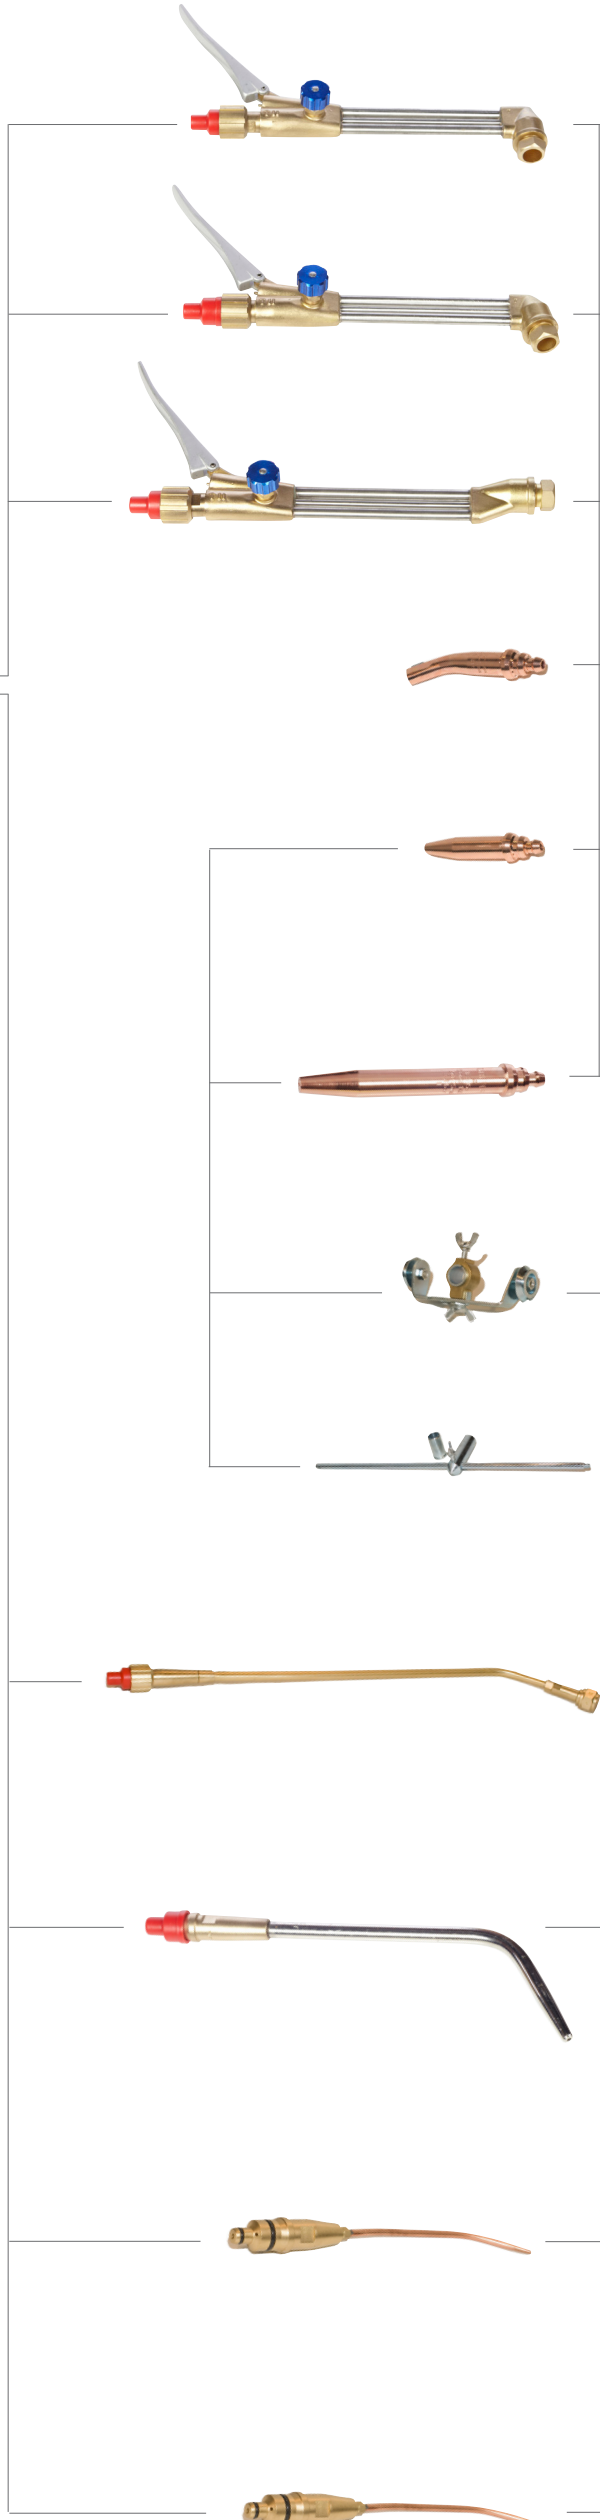

ACCESSORIES
Circular motion bar for roller guide 174680

MULTI FLAME HEATING ATTACHMENTS
O-A 2500 603407
O-A 5000 603399

SINGLE FLAME HEATING ATTACHMENTS
O-A 2500 234864
O-A 5000 183756

WELDING ATTACHMENTS
O-A 40 <0,5mm 174656
O-A 80 0,5-1mm 174573
O-A 230 2-3mm 174581
O-A 400 3-5mm 174599
O-A 650 5-7mm 174607
O-A 1000 7-10mm 174615
O-A 1250 9-14mm 174623

FLEXIBLE WELDING ATTACHMENT
O-A 160 1-2mm 183780

TROLLEY F/A40/O40L GAS CYLINDERS

Transport trolley with lifting certificate for A40 and O40L cylinders. Large size tool box for additional accessories. Safe and fast way of getting all equipment to the work site in one go.
Surface treatment: Spay coating
Safe working load: 200Kg
TuV Test Load: 400Kg
Net weight: 26,5Kg
Product no. 778145

UCT-500 MASTER KIT

Large size handy kit in heavy duty PVC case containing all equipment needed to perform the normally occurring heating, brazing, welding and cutting jobs onboard
Product no. 500000

STANDARD GAS ACCESSORIES FOR MOBILE EQUIPMENT

A complete kit comprising all necessary equipment to use with oxygen and acetylene cylinders. Will together with a trolley and UCT-500 Master or Compact kit create a complete mobile welding workshop.
Product no. 526509

UCT-500 COMPACT KIT

Handy kit in heavy duty PVC case containing a limited number of equipment needed to perform the normally occurring heating, brazing, welding and cutting jobs onboard
Product no. 500001

TROLLEY F/A5/O5L GAS CYLINDERS

Transport trolley with lifting certificate for A5 and O5L cylinders. Shelf for UCT-500 Compact Kit. Tool box for additional accessories. Safe and fast ways of getting all equipment to the work site in one go.
Surface treatment: Spay coating
Safe working load: 50Kg
TuV Test Load: 100Kg
Net weight: 13Kg
Product no. 778143
