

Engine spare parts. Worldwide supply.

HiMSEN & MAN | Marine and power plant engines

OceaNex supplies genuine and OEM spare parts for marine engines and land-based power plants. Our core specialty is HiMSEN, supported by established Korean manufacturers and a strong sourcing network. We also supply MAN auxiliary engine parts and selected MAN two-stroke fuel injection components.

EXPERIENCE BEHIND EVERY INQUIRY

General Manager Jaehyuk Choi brings 10 years of quality inspection experience in Hyundai Heavy Industries' Engine Division and over 6 years as a procurement manager in marine spare parts trading.
