Provision

Sail with freshness — provisioned by Alpentech Ship Chandler. We deliver a full range of fresh, frozen, and dry provisions to meet the daily needs of your crew. From hand-picked fruits and vegetables to high-quality dairy and pantry staples, our supplies are sourced fresh from the market every day. With a focus on quality, hygiene, and timely delivery, we ensure your galley is always stocked with the best for a healthy and satisfying onboard experience.

Medicine Supply

We provide a comprehensive range of essential medical supplies to ensure the health and safety of your crew at sea. From first-aid kits and over-the-counter medicines to prescription drugs and emergency medical equipment, all our supplies comply with international maritime health standards. At Alpentech, we understand the critical nature of onboard medical readiness — that's why we deliver promptly, accurately, and with full traceability.

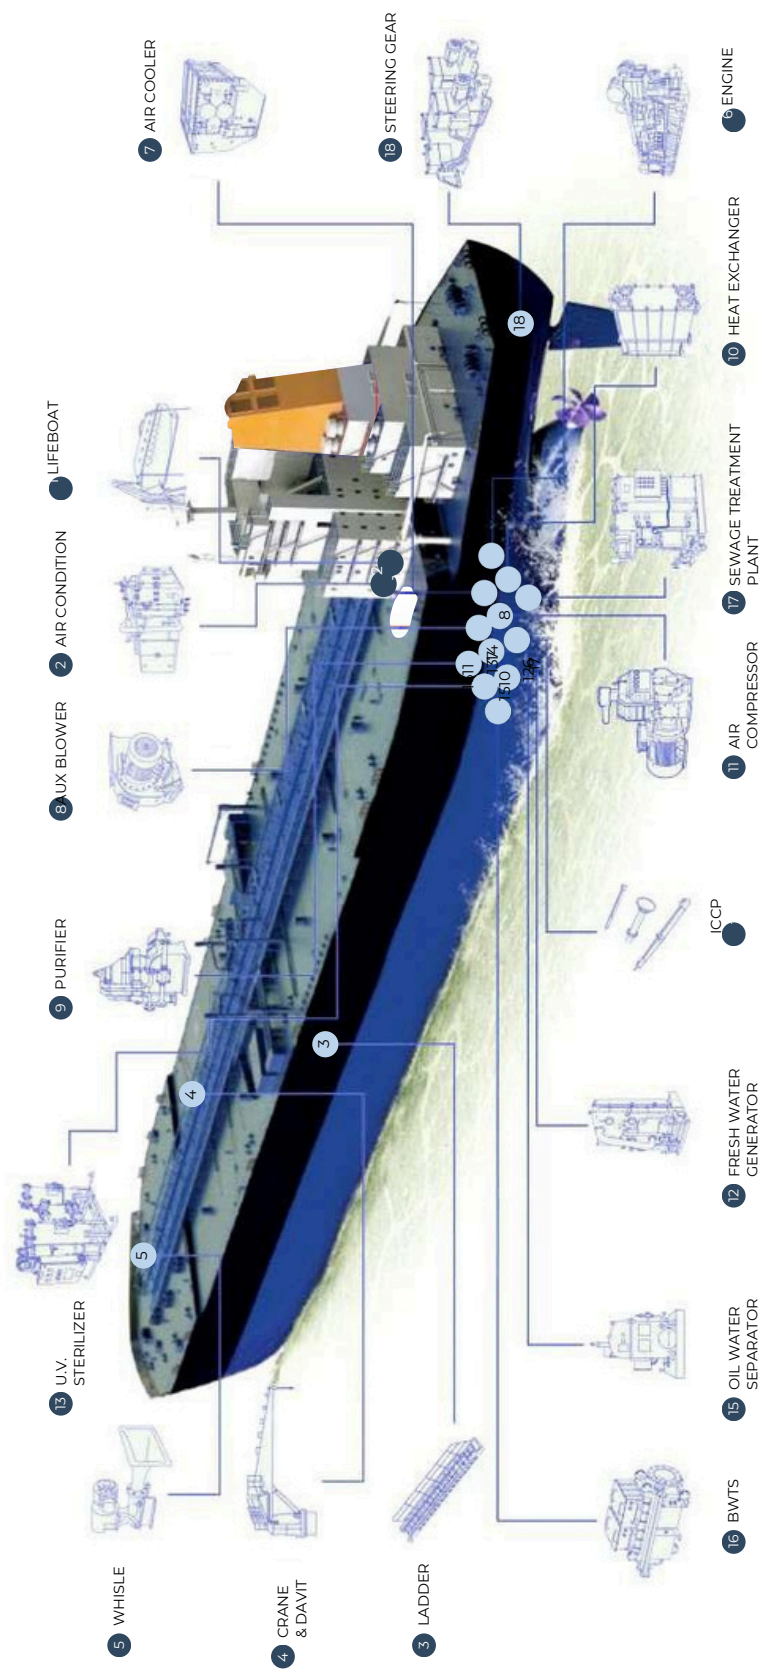

Bonded Store

We offer a wide variety of sought-after products — from premium cigarettes and gourmet confectionery to luxury perfumes, personal care essentials, and exclusive gift items. Enhance life at sea with our curated selection of the latest electronics, including TVs, DVD players, and audio systems. Our inventory also features fashionable clothing and durable travel gear, thoughtfully selected to meet the diverse needs of modern seafarers and onboard guests.
