# ABOUT TASK-IN SERVICES

[www.task-inservices.com](http://www.task-inservices.com)

Task-In Services is a global provider of **marine safety solutions**, headquartered in **Rotterdam** with branch offices in **Houston, Hamburg, and Hollola**. We operate across more than **60 ports** worldwide, ensuring fast, compliant, and reliable support wherever our clients need us.

What sets us apart is our people. Our technical personnel include **Master Mariners, Marine Engineers, former DPA, and Naval Architects** — experts with **first-hand sea-going experience**. This unique background allows us to understand the real challenges of maritime operations and deliver **practical, effective solutions** that go beyond routine servicing.

By combining **deep maritime knowledge** with certified technical expertise, Task-In Services stands as a trusted partner for shipowners, operators, and managers who demand the **highest standards of safety and reliability**.

# OUR VISION

At Task-In Services, our vision is to be the world's most trusted partner in marine safety, delivering consistent excellence across every port and every vessel we serve. We aim to:

- Set the benchmark for **compliance, quality, and reliability** in the industry.
- Build a **global network with local expertise**, ensuring rapid response wherever our clients operate.
- Invest in **innovation, training, and sustainability**, so that safety at sea continues to evolve with the challenges of tomorrow.

Our commitment is simple: protecting lives, assets, and the environment—everywhere, every time.

# OUR MISSION

Our mission at Task-In Services is to deliver comprehensive marine safety solutions with unmatched speed, precision, and care.

We strive to:

- Provide **world-class inspection, maintenance, and calibration services** that keep vessels fully compliant and operational.
- Empower our clients with the support of a **highly trained global team**, available whenever and wherever needed.
- Foster long-term partnerships built on **trust, professionalism, and integrity**.
- Contribute to a safer maritime industry by continuously improving through **innovation and training**.

Through these commitments, we ensure that every ship we service is prepared to protect lives, cargo, and the environment.

# GLOBAL REACH, LOCAL RESPONSE

With branches and partners strategically positioned across:

- **Europe**
- **North and South America**
- **Africa**
- **Baltics**
- **UK**

Task-In Services ensures you always receive **timely, on-the-ground assistance.**

## LSA Services – Lifesaving Equipment You Can Trust.

Task-In Services is your **authorised and reliable** partner for the inspection, maintenance, and servicing of lifesaving equipment worldwide.

Our expertise covers:

- Fully enclosed lifeboats
- Free-fall lifeboats
- Rescue boats
- Release mechanisms
- Launching appliances

All services are carried out in full compliance with **MSC.402(96.)** standards.

Our service engineers — including **Marine Engineers (2nd Engineers)** with real shipboard experience — are trained by both manufacturers and the **Task-In Training Academy**. Across our global network, they ensure your vessels remain **safe, compliant, and fully operational** wherever you sail.

Task-In Services B.V. is proud to hold **ISO 23678 certification** as a recognized **Training Center for Lifeboats & Davits**.

# Task-In Services B.V. has ISO 23678 certification as Training Center for Life boats & Davit

20225473

Certificate no: 11100464285/1  
Page 1 of 1

## Firefighting & Safety Equipment

We provide **full inspection, testing, and maintenance** of onboard firefighting and life-saving systems, ensuring compliance and readiness worldwide.

Services cover:

- Fire extinguishers & fixed systems (CO<sub>2</sub>, Foam, Dry Powder)
- Breathing & escape apparatus (SCBA, EEBD)
- Fire detection & alarm systems
- Fireman's outfits & emergency stations
- Gas detection equipment
- Medical chests, oxygen cylinders, immersion & chemical suits

Wherever your vessel operates, our experts keep your safety equipment **reliable, certified, and ready for use.**

## Calibration Services & Spare parts

Accurate calibration is essential for compliance and safe operations. Task-In Services provides **certified calibration and spare parts supply** worldwide, ensuring your equipment performs with precision.

### We service and supply:

- ODME & OWS systems
- Fixed & portable gas detection
- Pressure & temperature calibrators
- UTI, torque meters, gauges & thermometers

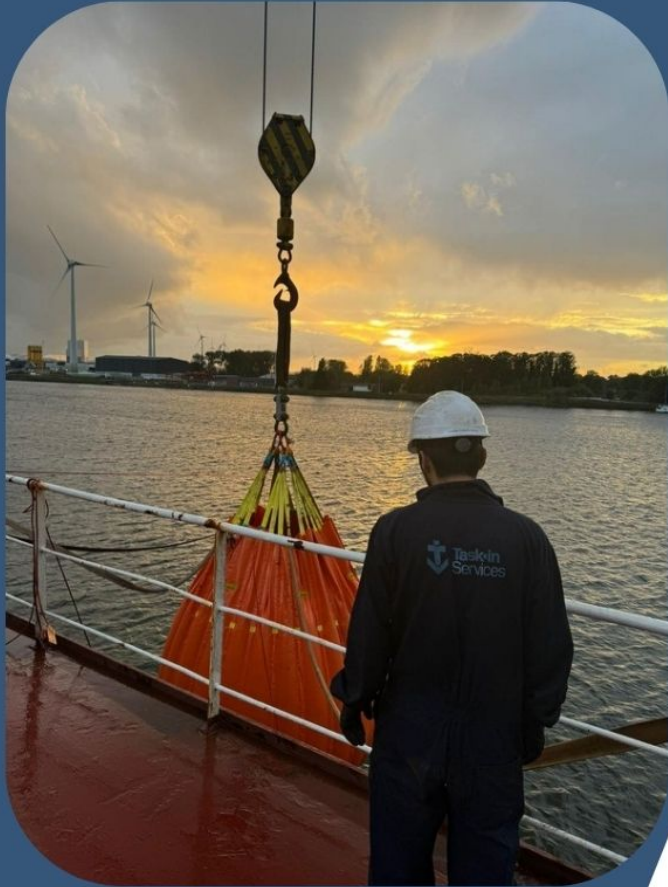

## Load Testing Services

Task-In Services is one of Europe's largest holders of **load testing equipment**, enabling us to provide **fast and reliable services** worldwide.

### We perform certified load tests for:

- Deck & provision cranes
- ER cranes
- Gangways & pilot ladders
- Accommodation ladders
- Life-saving appliances

Our specialized teams ensure all lifting and safety equipment is **tested, compliant, and ready for safe operation** — wherever your vessel is in port.

# Our Company

## A Global Professional Team

**Kemal Taskin**  
M. Director

At Task-In Services, our strength lies in our people. From Rotterdam to Houston, Hamburg to Hollola, our dedicated professionals work as **one global team** to deliver reliable, high-quality marine safety services worldwide.

Our team brings together:

- **Master Mariners, Marine Engineers, former DPA, and Naval Architects** — professionals with real sea-going experience who understand the challenges of maritime operations first-hand
- **Certified technicians**, trained by manufacturers and our own Training Academy
- Experienced specialists in inspection, calibration, maintenance, and compliance
- Global coordination, ensuring consistent service across more than 60 ports

With this combination of **practical maritime experience and technical expertise**, we deliver solutions that go beyond compliance — ensuring every project, wherever it takes place, meets the **highest international standards**.
