# MARINE PROTECTION SPECIALISTS

# PROTECTION SOLUTIONS FOR THE MARINE INDUSTRY

Beck has developed a range of protection materials specifically for the Marine industry. Shipbuilders and re-fitters across the globe put their trust in our products, many of which are flame retardant and certified to the internationally recognised LPS1207 and IMO kitemark standards. Our team of protection consultants are experienced in providing protective solutions for the marine industry.

## WHY MORE CUSTOMERS CHOOSE BECK MARINE:

- ❖ Trusted adviser with best practice advice
- ❖ Fast, global delivery
- ❖ Large stocks available
- ❖ Certified IMO and other flame retardant products
- ❖ Sustainable protection solutions
- ❖ To help promote your brand, we can custom print many of our products with your logo and company details.

## MARINE MARKETS WE SUPPLY WORLDWIDE INCLUDE:

- ❖ Cruise & Ferry Ships
- ❖ Super Yacht
- ❖ Military & Industrial
- ❖ Off-shore Operators

## CASE STUDY - WONDER OF THE SEAS

PROGUARD® FR Anti Slip Carpet Film was used protecting flooring from damage during construction works on the Royal Caribbean cruise ship, Wonder of the Seas. Providing floor protection, the adhesive backing adheres to most carpets and carpet tiles and ensures that the film stays securely in place making it safer to use than traditional dust sheets and polythene.

**To speak with a protection specialist and to receive a free quotation either visit our website [www.beckuk.com](http://www.beckuk.com), email us at [sales@beckuk.com](mailto:sales@beckuk.com) or call us on 01432 263 598 (International: +44 1432 263 598).**

# OUR SPECIALIST MARINE PROTECTION RANGE INCLUDES

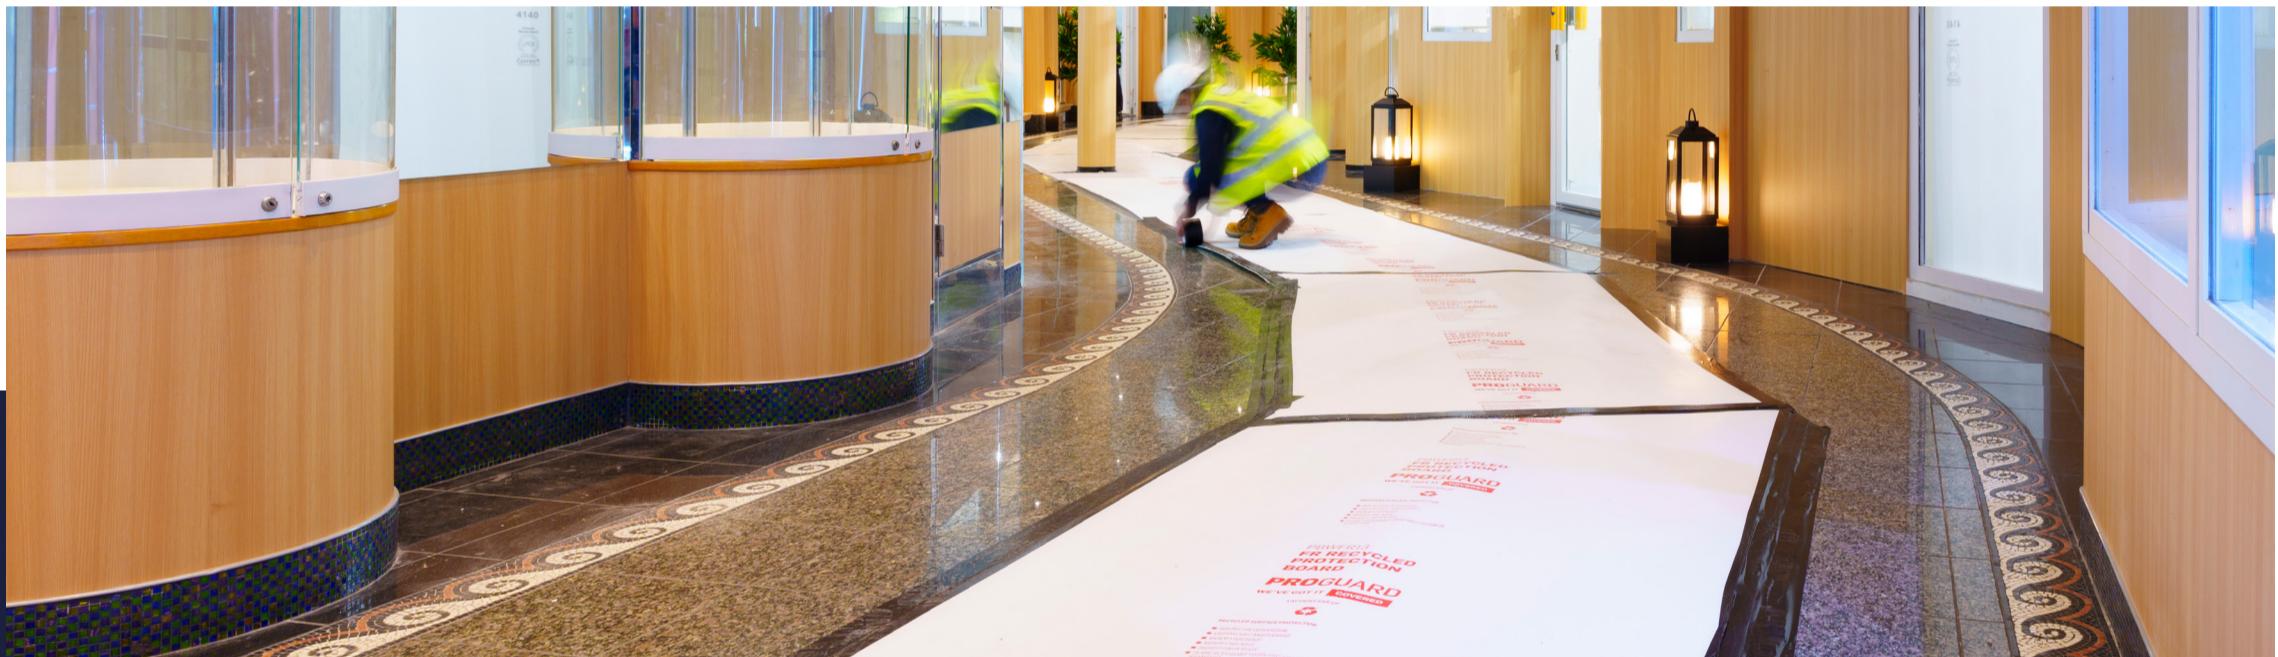

## FLAME RETARDANT CORREX AND IMO-CERTIFIED PROTECTION BOARD

Manufactured from strong corrugated polypropylene to provide long-lasting protection. Our Flame Retardant protection board products can also be custom printed with your branding.

### Benefits:

- » Lightweight and flexible
- » Quick and easy to cut, crease and curve
- » Durable and reusable
- » 100% waterproof

- » Personalised logo printing available
- » Most products are flame retardant to LPS1207 and an IMO-certified option is also available
- » Resistant to chemicals
- » 100% recyclable

## PROGUARD® CARPET AND HARD SURFACE FILMS

Perfect for protecting carpets from spillages and debris during painting and refurbishment. Both our carpet and hard surface films can be custom printed with your branding.

### Carpet Film Benefits:

- » Flame retardant to EN13501-1:2018 - C-s1
- » Embossed anti-slip finish
- » Forward wound
- » Self-adhesive for easy application
- » 100% waterproof
- » High tear & puncture resistance

### Hard Surface Film Benefits:

- » Self-adhesive for easy application – no taping required
- » Lightweight, easy-to-handle rolls
- » High tear & puncture resistance
- » 100% waterproof
- » Easy to cut with a knife

# OUR SPECIALIST MARINE PROTECTION RANGE INCLUDES

## PROGUARD® PREMIUM FLAME RETARDANT FLEECES

Our multi-functional, non-woven fleece protects floors from liquids and other damage. Great for special applications requiring a strict fire-resistant compliance as it is flame retardant in accordance with Bfl s1 / DIN EN 13501-1 et. It also benefits from IMO certification.

### Benefits:

- » Impermeable, 100% waterproof
- » High flame retardancy
- » Non-slip for safety & self-adhesive

- » Reusable & easy installation
- » 100% residue-free on removal
- » Flexible material - ideal for wrapping around awkward objects.

### FR BUFFERBOARD™:

Our ultra-tough, long-lasting floor protection. Proguard® Fire Retardant Bufferboard is a crush-resistant polypropylene board which provides extremely heavy duty protection. Unlike plywood, OSB and hardboard, Bufferboard is not affected by moisture and can be easily cut with a knife.

### FR DOOR SLEEVES:

Our LPS 1207 certified, fire retardant, semi-translucent plastic sleeves fit any standard size doors and provide cost effective protection from dust, dirt, paint and mortar splashes during building and refurbishment work.

### TAPES:

Our wide range of PROGUARD® adhesive tapes gives you a variety of jointing options. Whether it's high tack, low tack, double-sided or flame retardant, we're sure to have a tape that is suitable for your requirements.

## ...AND LOTS MORE!

We have a wide and comprehensive range of temporary protection products for the marine industry. If you have any specific requirements, please get in touch with us to discuss your needs - we've got it covered!
