Spare Parts, Parcels & Customs Clearance

Our offices at Air & Sea Ports ensure quick customs clearance, excellent logistics, and onboard delivery — often within one working day. We handle all necessary procedures to ensure your vessel receives spare parts and parcels right on time

Spare Parts Consignment Storage

We utilize our strategic location near the Suez Canal to store clients' consignments in tax-free warehouses, ensuring fast, efficient, and frequent distribution to vessels calling Egyptian ports.

Repair Works

We work with high-tech, class-approved workshops capable of handling a wide range of maintenance operations:

- Hull and steel structure maintenance
- Tank coating & painting
- Electrical, electronic & navigation systems
- Main & auxiliary engine overhauls
- Turbochargers, pumps, compressors, electrical motors (24h rewinding)
- Underwater repairs and digital surveys

Spare Parts Reconditioning

We renew old spare parts following maker's instructions using advanced workshops equipped with full inspection systems:

- Sand blasting
- Crack & hardness testing
- Hydrostatic & ultrasonic testing
- Precision measuring & calibration

We service: Daihatsu, Yanmar, Wartsila, MAN, B&W, Caterpillar, MAK, Sulzer, Deutz, ABB, Niigata, and more.
