

RELIABLE MARINE SUPPLY & SHIP CHANDLER

Highlands Marine Supply

Company Presentation

Who We Are

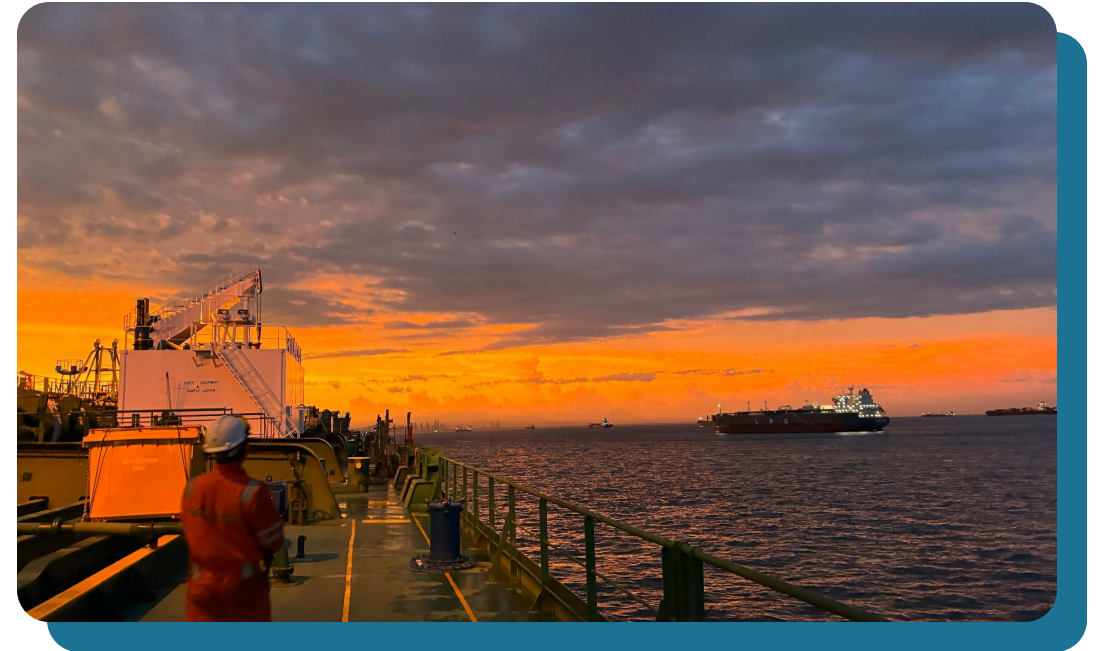

Highlands Marine Supply is a specialized provider of marine supplies and ship chandler services, dedicated to supplying commercial, fishing, and recreational vessels with speed, quality, and reliability.

We work closely with captains, shipowners, and shipping agents to ensure every vessel departs fully equipped — on time and without delays.

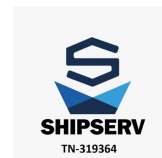

24/7 24/7 vessel support availability

100% Commitment to quality and on-time delivery

+1 A single point of contact for all your supply needs

Registered & Certified Member

Mission & Vision

Mission

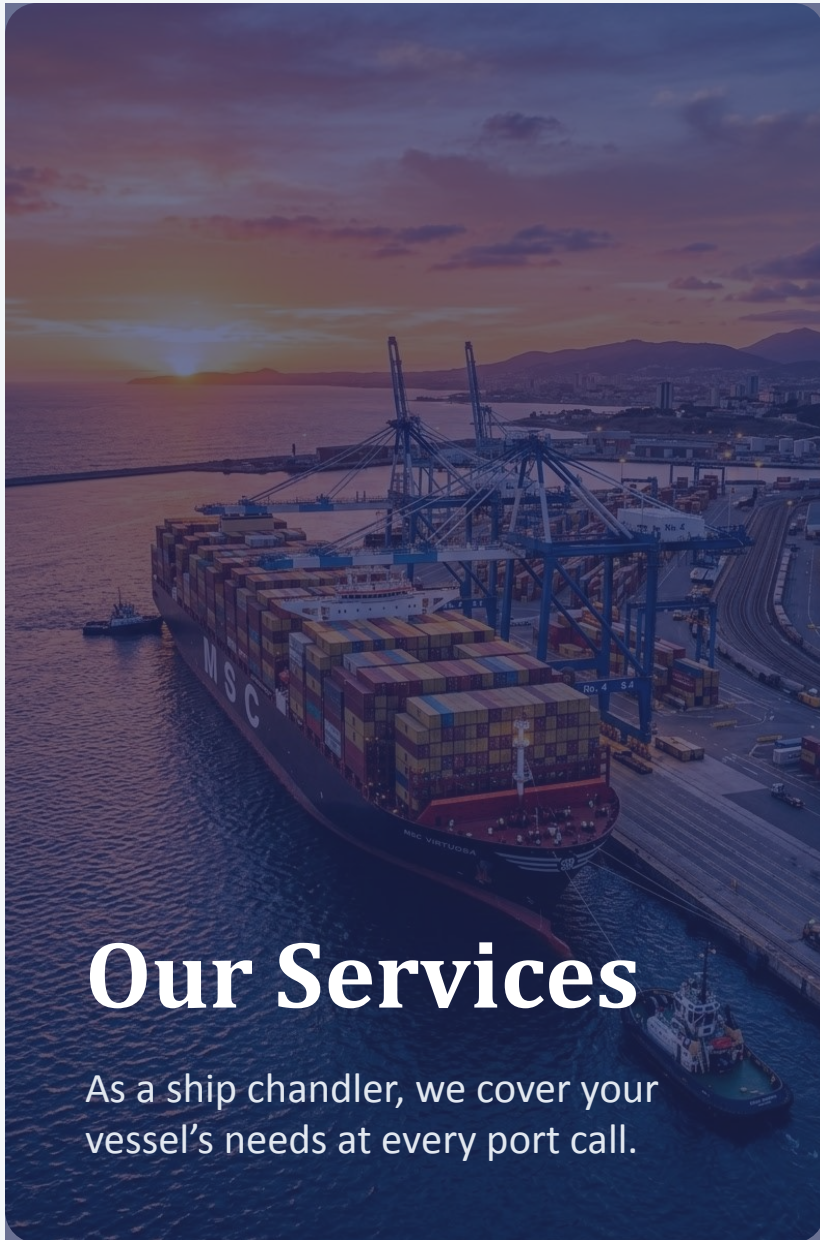

To supply every vessel with the products and services it needs, with speed, precision, and personalized service that builds trust in every port.

Vision

to become the region's ship chandler of choice, recognized for our reliability, coverage, and ability to respond to any maritime need.

Our Services

As a ship chandler, we cover your vessel's needs at every port call.

Provisions & Supplies

Supply of food, beverages, and onboard consumables.

Spare Parts & Tools

Technical parts, marine hardware, and maintenance equipment.

Safety Equipment

Safety and lifesaving equipment in accordance with applicable regulations.

Port Logistics

On-time delivery directly to the dock or vessel.

24/7 Support

Fast response for last-minute port calls.

Why Choose Us?

Fast Response

We coordinate deliveries even with short notice, adapting to your vessel's schedule.

Guaranteed Quality

We work with trusted suppliers to ensure first-class products and supplies.

Personalized Service

A single point of contact who understands each customer's specific needs.

Port Coverage

Presence and logistics capabilities to serve multiple ports and terminals.

Who We Serve
