

TVG HOUSTON, INC

BUNKER FUEL BOTTLES, CUBTAINERS AND DRIP SAMPLERS

TVG Houston

is a global supplier of high quality HDPE sample bottles, cubitainers and drip samplers for marine industry. Our products are designed to meet MARPOL Annex VI and SS 628-2 standards.

HIGHLIGHTS:

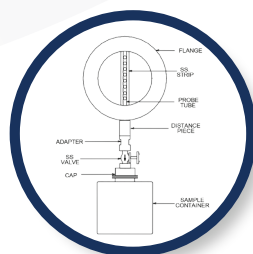

- ▶ All our products meet MARPOL and MPA requirements
- ▶ Each case comes with bottles, caps, security seals and label
- ▶ Bottles made of high-density polyethylene material which is highly chemically resistant, able to withstand high temperatures
- ▶ Bottles and its caps are tamper-proof, prevent prise off
- ▶ Plastic tamper-proof seals are made of polyamide and/or polypropylene, stainless sprung steel locking mechanism
- ▶ Adhesive Labels are compliant to BDN (Annex K) requirements
- ▶ Cap has integral seal to prevent leaks
- ▶ Cap and bottle have aperture to pass through the tamper-proof seal to keep bottle and cap intact
