Worldwide Marine Supplier

HWAHOM MARINE

COMPANY PROFILE

HWAHOM MARINE specializes in providing one-stop supply solutions for marine equipment and ship spare parts, complemented by professional technical support and customized solutions.

We maintain long-term strategic partnerships with number of original equipment manufacturers (OEMs). All partner factories are fully certified by major international Classification Societies, enabling us to deliver genuine, reliable quality with highly competitive pricing and flexible delivery schedules that fully meet the fast-paced demands of both newbuilding and ship repair projects.
