ABOUT COMPANY

S&S Persad Supermarket is a family owned business established in 1991 as a retail store. From humble beginnings, we have grown to become the largest supermarket in southeast Trinidad supplying products and services to meet individual's needs.

S&S Persad Supermarket operates stores' that offer grocery items, general merchandise as well as other non-food items such as electrical, furniture, appliances, agro, household and hardware. The company operates in Rio Claro and Mayaro.

With the growing diversity of modern lifestyles, our management philosophy is to "offer safe and delicious products, in order to contribute to healthy and satisfying eating habits." Guided by this philosophy, we at S&S Persad Supermarket believe that responding to the changing social environment, and protecting regional lifelines, to be our mission. In order to fulfill this mission we begin as "Customer Delegates," working to meet the needs of local and regional customers by offering products and services hassle free.

As we approach our 33rd anniversary in 2023, S&S Persad Supermarket continues to improve its brand name by inventing fresh store spaces, developing new products for our private store brand, and by working to optimize our new distribution centers.

HOW WE WORK

1

Email or telephone request for goods or services required.

Detailed request would follow a quotation with an expiration date.

2

PO is supplied by vendor 2-3 days before delivery date with details on delivery. Invoice and delivery note would be provided and would required to sign and date.

3

Customers are given credit leverages based on company's relationship. Statements are sent on a monthly basis to ensure payment is received. Payments are made in TTD or USD via ACH, cheques, debit, credit or cash.

COMMUNITY PROJECTS

S&S Persad Supermarket is the backbone of the community and is fully endorsed by multiple NGO's in the community. We are the founder of Project Hope Children's Foundation and the corporate sponsor for the Eastern Division Cricket Teams for the past 15 years.

Project Hope

In a community plagued with social issues namely high poverty rates, low adult literacy rates, unemployment and underemployment, children are often most vulnerable and at the forefront of the harsh effects of social issues.

Project Hope Children Foundation birthed by S&S Persad Supermarket is loyal to local. Loyal to providing innovative solutions, loyal to providing opportunities and loyal to supporting our people by providing a helping hand and an answer to these social gaps in our community.

With the successful execution of our signature project, Hope Box initiative, over two thousand children with socio-economic challenges received Hope Boxes designed to meet the needs of a child which entailed food items, personal care items, educational material, toys and hand-written motivational notes. Over a period of two months, a team of community oriented youths and volunteers aided in the planning, packaging and distribution of the hope boxes with love and a passion to reinvigorate hope touching over 21 villages in the district of Nariva/Mayaro.

Farm to Family

At Project Hope, we believe that everyone has the right to fresh, healthy, affordable food. Our goal is to transform the food system into a more just, community-engaged model that supports food security for all while connecting diverse communities in Rio Claro and Mayaro.

The kids would become mini farmers and get the exposure to cropping systems such as hydroponics, grow boxes and peri urban farming. They work in the farm Kids garden, planting, weeding and harvesting. They cook, create and see where their food comes from as well as experience countless opportunities to learn about teamwork, community, natural remedies, sustainability and ethical farming practices. The program would target both primary and secondary school children ages 7 to 12. Farm to Family

BEYOND THE SUPERMARKET
