

It's easy to upgrade to LED!

**Save on energy and maintenance**

We offer Glamox and Aqua Signal LED replacement kits that are easy to use due to the tray concept. All mechanical parts, fixing and cable glands remain unchanged in the luminaire. All you need to change is the gear tray, an easy solution for converting to LED.

From tubes to LEDs – step by step – in just a few seconds.

MIR LED upgrade kit from T8 to LED is suitable for Cat.No's 126391-126680

Please refer to our website for information about our 5-year warranty.
